Old and New.

Painters know that zinc makes lead wear longer. Some use it and some do not; for lead is old and zinc is new; and houseowners know more about lead than zinc.

Mixed and Ground.

WORTH A KING'S RANSOM.

Saved From the Maelstrom of Catarrh How Peruna Saves Lives

Mrs. Col. E. J. Gresham, Major's Daughter of the Confederacy and President Herndon Village Improvement Society, writes the following from Herndon, Fairfax county, Va. Herndon, Va. The Peruna Medicine Co., Columbus, O. Gentlemen—"I cannot speak too highly of the value of Peruna. I believe that I owe my life to its wonderful merits. I suffered with catarrh of the head and lungs in its worst form, until the doctors fairly gave me up, and I despaired of ever getting well again. "I noticed your advertisement and the splendid testimonials given by people who had been cured by Peruna, and determined to try a bottle. I did not little better, but used a second and a third bottle and kept on improving slowly. "It took six bottles to cure me, but they were worth a king's ransom to me. I talk Peruna to all my friends and am a true believer in its worth." ---Mrs. Col. E. J. Gresham.
