A BROOKLYN BELLE THREATENED WITH CONSUMPTION.

Pe-ru-na Promptly Saved Her Life.

Miss Alice O'Neil, 312 Adams street, Brooklyn, N. Y., writes:
"I cannot say too much in favor of Peruna. About a year ago I was completely worn out, had a serious cold and a hard cough which seemed to be in danger of affecting my lungs. If my system had been in a stronger condition it would have been much easier to throw off this cold, but I could not seem to get any relief until I took Peruna, and I must say that it did the work thoroughly. Within a week I could see a wonderful improvement, and I took Peruna four weeks and am in perfect health now."
ALICE O'NEIL.

Miss Alice O'Neil.

WHAT PEOPLE SAY

About Pe-ru-na as a Remedy for All Diseases of Winter, Coughs, Colds and Catarrh.

That Peruna cures catarrh, coughs, colds, is well known to both the medical profession and the people generally. It is undoubtedly the most popular remedy for this class of diseases in existence. Read the following letters:

Pe-ru-na Cures a Cold at the Outset.
Miss E. M. Isaacs, Armstrong, Pa., Vice-President of the Fortnightly Club, writes:

"No one who has tried the comforts Peruna brings would ever be without it. I used to dread the slightest cold, as its consequences were so lengthy and so unpleasant, and the catarrhal condition which invariably followed so hard to get rid of, but since I have known of the blessed relief secured through the use of Peruna, I am free from all this unpleasantness and suffering."

"A few doses never fails to cure me of a cold and I keep well through its use."—Miss E. M. Isaacs.

Hon. W. J. Purman, ex-member of Congress from Florida, writes from 1428 Q street, N. W., Washington, D. C., as follows:

"From representations to me and my own experience I feel justified in recommending your Peruna to any and all persons suffering with catarrh, nervousness or stomach troubles. I regard it as a great tonic and remedy

for such afflictions. I, and others to whom I recommended it, are using it now with beneficial results."—W. J. Purman.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
