"I had a most stubborn cough for many years. It deprived me of sleep and I grew very thin. I then tried Ayer's Cherry Pectoral, and was quickly cured." R. N. Mann, Fall Mills, Tenn.

Sixty years of cures and such testimony as the above have taught us what Ayer's Cherry Pectoral will do.

We know it's the greatest cough remedy ever made. And you will say so, too, after you try it. There's cure in every drop.

It is known to intelligent painters that lead and zinc is a better paint than lead alone; but the difficulty of mixing it hinders some from using it. Needs grinding.

Devote lead and zinc is ground fine.

Beware of Ointments for Catarrh that Contains Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure that you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

By Machinery.

Devote lead and zinc is ground by machinery; perfectly mixed. There is every reason for using it; none against it.

His Clever Escape. An engaged young gentleman got rather neatly out of a little scrape with his intended. She said she had heard that he had kissed two ladies at some party at which she was not present. He owned it, but said, laughingly, that, after all, their united ages made only 21. The simple-minded girl thought of ten and 11, and laughed off her pout. He did not explain that one was 19 and the other two years of age.—Tit-Bits

Doubtful. "No," said the capitalist, "I shall not invest in your invention. I very seriously question its practicability and its importance." "For what reason?" "Because no one has come forward with a claim that you stole it from him."—Washington Star.

A PROMINENT MEMBER OF I. O. O. F.

Threatened With Bright's Disease--Pe-ru-na Restored Him to Health.

O. FRED LINDSTROM, PAST GRAND MASTER I. O. O. F. Lindstrom, Past Grand Master of the Independent Order of Odd Fellows, Chamberlaineur Twin City Lodge, Knights of Pythias, also Past Chief Arch, Ridgely Encampment, No. 2, from 1023 University Ave., St. Paul, Minn. "Peruna has my hearty endorsement. There is no medicine I know of that can compare with it. I contracted a severe cold several years ago, which from neglect developed into kidney trouble, and threatened Bright's disease. As one of my friends was cured of Bright's disease through the use of Peruna I thought I would try it also, and used it faithfully for three or four months, when my health was perfect once more. I have never had any trouble since, and therefore think it is but just to give it unlimited praise."—O. Fred Lindstrom. Catarrhal inflammation of the mucous lining of the kidneys, also called "Bright's disease," may be either acute or chronic. The acute form produces symptoms of such prominence that the serious nature of the disease is at once suspected, but the chronic variety may come on so gradually and insidiously that its presence is not suspected until after it has fastened itself thoroughly upon its victim. At the appearance of the first symptom Peruna should be taken. This remedy strikes at once at the very root of the disease. A book on catarrh sent free by The Peruna Medicine Co., Columbus, O.

Made Right. Devote lead and zinc is proportioned right and ground fine. The result is a perfect mixture. It wears twice as long as lead alone. Several State Chemists have analyzed it and found no adulteration in Devote lead and zinc. They certify that it is an entirely pure paint.
