**Pink Pearls for the Complexion.**  
 The greatest beauty-producing medi-  
 cine on earth.  
 No woman can appear to advantage,  
 or do justice to her possibilities, if she  
 is conscious of the fact that her personal  
 appearance merits censure. No one  
 need fail to gain a healthy, clear, soft,  
 beautiful tinted complexion, who will  
 use BARTLEY'S PINK PEARLS.  
 They are pleasing in appearance and  
 pleasant to take. They repair all de-  
 fects; preserve the freshness of youth;  
 clear, muddy, sallow skin; reddden the  
 lips, sweeten the breath, invigorate  
 the entire system and appearance.  
 Faded looks are fully restored when  
 the complexion has the right tone; the  
 fascination which a good complexion  
 gives its possessor can not be over-rated.
