A PASTOR WHO WAS BEFRIENDED BY AN EMPEROR SAVED BY PE-RU-NA.

Rev. H. Stubenvoll, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church of that place. Rev. Stubenvoll is the possessor of two Bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the Bibles the Emperor has written in his own handwriting a text. This honored pastor, in a recent letter to The Peruna Medicine Co., of Columbus, Ohio, says concerning their famous catarrh remedy, Peruna: "The Peruna Medicine Co., Columbus, Ohio. Gentlemen: "I had been suffering of the lungs for a long time, and all despaired of me. I took Peruna and was cured. It gave me strength and courage, and I feel healthy, pure blood. It increased my weight, gave me a healthy color, and I feel well. It is the best medicine in the world. If everyone kept Peruna in the house it would save many from death every year."—H. STUBENVOLL. Thousands of people have catarrh of the bladder, and would be surprised to know it, because the factory results from the use of Peruna, it has been called some other name than catarrh. The fact is catarrh is each where located; and another fact which is of equally great importance, is that Peruna cures catarrh wherever located. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O. your opinion, through the Post which we can rely on. L. A. Jenkins, shipped 140 lb of Walnut Kernels last week of his own family's labor.
