There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Turn Out to Vote.

It behooves all good loyal Republicans to attend the Primary Election, Saturday and vote their honest convictions in order that the best men may be nominated. A nomination in Snyder County is equivalent to an election, and hence it is all the more important that every republican should go to the polls.

The privilege of voting is a right vested in the American people and while it is a prerogative, it is also a duty you owe to yourself and family that you express your choice. Not all men think alike, but if all register their opinions, it must of necessity be that the majority will rule.

Our merchant, Samuel Stroub, and family will move to his father-in-law, Jacob Stahl, at Verdilla, in the near future. We are sorry to lose Mr. Stroub, as he has always dealt fairly with his customers.

Brian Teats intends to take his place.

Those persons who paid high prices for seats to witness the first coronation procession in London, which did not take place, cannot get back their money. The English courts have decided against them, as the seats were sold without any guarantee that the procession would take place. This helps the insurance companies at the expense of the public. But those who had seats to sell lost more than anybody else. If their charges had been more reasonable they might have sold all their seats. Hence no great sympathy was wasted on them.

The wrecks on the Sunbury Division have been rather numerous this week. The most expensive of the lot was the one at Beaver Springs Tuesday morning when three engines and a lot of cars were demolished. Railroad systems need improvement, it so many wrecks are not due to carelessness.

Letter to A. E. Soles.

Middleburgh, Pa.

Dear Sir: You'd strike it rich if you could find a way to shave your customers in less time, for less cost, and make the shave last twice or three times as long.

You wouldn't shave the same person so many times, or get so much of his money; but the whole town would be asking about you, and every body would come to you for a shave.

Devoc lead and zinc is exactly that in paints. It takes fewer gallons, and it wears longer. Costs less for the job, and you don't have to do it for years and years—six years at least.

"Fewer gallons; wears longer". Takes fewer gallons to paint a house with Devoc Lead and Zinc than with mixed paints; and it wears longer than mixed paints or lead and oil.

Yours truly,
F. W. DEVOC & Co.,
New York.

Asthma

"One of my daughters had a terrible case of asthma. We tried almost everything, but without relief. We then tried Ayer's Cherry Pectoral and three and one-half bottles cured her."—Emma Jane Entsminger, Langsville, O.

Ayer's Cherry Pectoral certainly cures many cases of asthma.

And it cures bronchitis, hoarseness, weak lungs, whooping-cough, croup, winter coughs, night coughs, and hard colds.

Three sizes: 25c. enough for an ordinary cold; 50c. just right for bronchitis, hoarseness, hard colds, etc.; \$1.00 most economical for chronic cases and to keep on hand.
J. C. AYER CO., Lowell, Mass.
