BATTLE IN SAN DOMINGO

Government Troops Drive Rebels Back Into Pajarito.

HEAVY LOSSES ON BOTH SIDES

Another Engagement Is Imminent, As Large Government Forces Are Marching On the Town-Marines Landed to Protect U. S. Consulate. Santo Domingo City, April 6 .- The government troops outside the city attacked the insurgents in the suburb of Pajarito. The most severe engagement since the rebellion broke out ensued, and the insurgents were driven back to this city. The artillery from the fort covered the insurgent's retreat. The rebels are disposed to fight to the last, and it is supposed that if they are compelled to abandon the city they will embark on the gunboat Independencia, which is in their

power, and go to the northern part of the island and join the rebels there. The United States cruiser Atlanta has landed 50 marines to protect the

American consulate. No second engagement has taken place, but large government forces are now marching on the town, and an attack is momentarily expected. The rebels are making great preparations for resistance. In the engagement at Pajarito the contending forces used frearms and cutlasses. The losses on both sides are heavy. Several persons were killed inside the city by stray shots. The government gunboat Prestdente bombarded the town, and one shell fell inside the yard of the German consulate, but did not explode. The surgeon of the Atlanta assisted in attending to the wounded in the Pajarito fight. Many of the wounded

MRS. EVA BARTHO.

There are a multitude of women. es-pecially honsewives, and all other women obliged to be on their feet constantly, who are wretched beyond de-scription, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvie organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East, 12th Street, N. Y. Gity, N. Y., writesi.—"I suffered for three years with what is generally known as lencorrhea, in consection with ubceration of the womb. The doctors advocated an opera-tion which I dreaded very much, and strong-by objected to go under it. Reading of the value of Persua, I thought it best to give this well-known remedy a trial, so I bought three bottles of it at once. Now I am a changest woman, Peruma cured me; it took nine bottles, but I felt so much improved 1 kept taking it, as I dreaded an operation so much. I am to-day in perfect health, and have not felt so well for fifteen years."-Mirs. Eva Bartho. Mrs. Eva Bartho, 133 East, 12th Street,

The backache ceases, the trembling knees are strength-ened, the appetite restored, the digestion made perfect, the dull headache is stop-ped and the weakening drains are grad-ually cured. These results certainly follow a course of treatment with Perans. Perana.

ministration of the cities. The most notable exception was at Columbus, where Mr. Jeffry, Republican, is elected. The mayors of all the leading cities except Columbus were re-elected. The Republicans retained possession of Cincinnati and the Democrats of Cleveland, and Samuel M. Jones was elected as an independent for the fourth time as mayor of Toledo.

Tom Johnson was re-elected mayor of Cleveland by 6500. The entire Democratic ticket was elected by a smaller margin.

Mayor Fleischmann, Republican, of Cincinnati, was re-elected by 16,620 plurality. The entire Republican city ticket, including all the boards, was elected by about the same vote as that of Fleischmann.

There is much diversity of opinion as to the effect of these municipal elections upon the next Republican nomination for governor, but it is conceded that Mayor Tom L. Johnson, of Cleveland, will now become a formidable candidate for the Democratic nomination for governor a few months hence. The Ingalls organization will be continued, with a view of making him the Democratic oppenent of Hanna for the senatorship.

W. J. Bryan Coming East.

New York, April 7 .--- William J. Bryan has notified his New York friends that he will be in the east in May, and that he will deliver a series of addresses on political subjects in the states of New York, Connecticut, Rhode Island, Massachusetts, New Jersey and Maryland. The first of these addresses will probably be delivered at the Academy of Music in Brooklyn. It now seems likely that his Brooklyn speech will be the only one Colonel Bryan will deliver in the state of New York, as his time will be limited and he has many more invitations to speak than he can positively accept.
