MRS. LULU LARMER.

Mrs. Lulu Larmer, Stoughton, Wis., says:

"For two years I suffered with nervous trouble and stomach disorders. It seemed that there was nothing to me but a bundle of nerves."

"I was very irritable, could not sleep, rest or compose myself, and was certainly unfit to take care of a household."

"I took nerve tonics and pills without benefit. When I began taking Peruna I grew steadily better, my nerves grew stronger, my rest was no longer fitful, and to-day I consider myself in perfect health and strength."

# A New Argument.

Why should you do your buying at the Schreyer Store Co?  
 Because we buy cheaper and so sell cheaper, let us explain: we are joined to the Eastern Syndicate, an organization of large merchants of Pa., who place orders for merchandise in large quantities, thereby getting price concessions that to one buyer alone would be impossible.  
 Another reason is; because the styles at our store are always in the latest vogue, up to date in every respect; the syndicate employs a buyer who makes a study of exactly what is going to be in popular favor and what is not and makes daily reports to us.
