**THE PUREST WHISKEY**

It has been frequently asserted by eminent authorities that nearly two-thirds of the crime and poverty of the world was directly traceable to intemperance. The wise acres should have stated that these evils are due to the immoderate use of Whiskey and Liquors of questionable quality, for it is a well-known fact that intemperance is practically unknown where pure unadulterated whiskey is used.

**Marks' All Rye Whiskey**

Is Absolutely Pure, and is sold for Medical Purposes. It is a Splendid Tonic for Spring Weather and Invigorates the System.

It Makes You Feel Like a New Man. This is Eight Years Old and Sells at
