Letter to James Shuman.

Middleburg, Pa.

Dear Sir: Here's what "wears longer" means.

D. T. McGown, Cooperstown, N. Y., built a house in '85 and painted Devco. The paint lasted ten years.

A year or two later, a neighbor built a house and painted it lead and oil. The neighbor's house was repainted twice in the same time.

This looks as if the neighbor's house was painted three times in eight or nine years, and McGown's once in ten years. We are not quite sure—we tell the tale as it comes to us.

It is enough to say that Devco Lead and Zinc lasts twice as long as lead and oil alone. The reason is: white lead is soft and chalks off; zinc is hard; and when thoroughly ground into the lead, prevents its chalking and makes it more durable.

Yours truly,

F. W. Devco & Co., New York.

P.S.—P. P. Smith of Sunbury sells our paint.

A PROMINENT COLLEGE MAN.

One of Indiana's Useful Educators Says: "I Feel Like a New Man."

MR. JOHN W. MENG.

Mr. John W. Meng, 54 Jefferson St., Indianapolis, Ind., State Representative of Indianapolis Business College, writes:

"I firmly believe that I owe my health to Peruna. Constant travel and change of food and water wrought havoc with my stomach, and for months I suffered with indigestion and could not eat. I felt very reluctant to do. Seeing an ad. of Peruna as a specific for such cases I decided to give it a trial, and used it faithfully for six weeks, when I found that my troubles had all disappeared and I seemed like a new man. I now take a bottle of Peruna in my grip all the time, and occasionally take a few which keeps me in excellent health."

THE most common phases of summer catarrh are catarrh of the stomach and bowels. Peruna is a specific for summer catarrh.

Hon. Willis Brewer, Representative in Congress from Alabama, writes following letter to Dr. Hartman:

House of Representatives, Washington, D. C.
Gentlemen:—I have used one bottle of Peruna for indigestion, and I take pleasure in recommending it to those who need a good remedy. A tonic it is excellent. In the short time I have used it has done me a great deal of good. Willis Brewer.

If you do not desire prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address: Dr. J. C. Hartman, President of The Hartman Sanatorium, Columbus, Ohio.

William Snyder, wife and daughter of Cleveland, Ohio, are visiting their many friends and relatives in Snyder county. Mr. Snyder has a lucrative position as clerk in a large grocery store and has been granted a three weeks' vacation.
