which Khartoum is making under British rule. From Egypt they will sail for Jaffa, now famous for little more than its oranges, and then push on to Jerusalem and other holy places...

KEEPING COWS CLEAN. A Little Device Which Should Be Carefully Studied Because It's Worth Introducing.

The illustration shows a cow stall in actual use. The contrivance over the shoulders of the cow is the unique feature. Cows, when urinating, naturally arch the back, and if confined by rope or stanchion, will crowd as far ahead as possible...

COW IN THE STALL.

interferes with the arching of the spine, but does force the cow to draw back instead of pushing ahead; thus the gutter back of the cow catches the filth and the floor remains clean.
