The Difference.

Tennyson could take a worthless
sheet of paper, write a poem on it, and
make it worth \$25,000—that's genius.
Vanderbilt can write a few words on
a piece of paper and make it worth \$5-
\$10,000—that's capital. The United
States can take an ounce and a quarter
of gold and stamp upon it an "Eagle
Bird" and make it worth \$20—that's
money. A mechanic can take a piece of
material worth \$5 and make it into watch
springs worth \$1,000—that's skill. A
merchant can take an article worth 75
cents and sell it for \$1—that's business.
A lady can purchase a 75 cent hat, but
she prefers one that costs \$27—that's
foolishness. A Ditch Digger works
ten hours a day and handles several
tons of earth for \$3—that's labor. The
Printer of this could write a check for
\$50,000,000, but it wouldn't be worth a
dime—that's rough. Any one can go
to The Susquehanna University Musi-
cale and thoroughly enjoy an excellent
concert—that's common sense.
A concert will be given in the Selins-
grove Opera House, June 16th. Ad-
mission, 25c. and 35c.

The Sand Industry.

MAPLETON, Depot, Pa., May 25, 1903.
Editor POST:
I am now engaged as the Superin-
tendent of the millwright work for the
Penns. Glass Sand Co.

We are placing a lot of elevating ma-
chinery in the Columbia Mills. I just
prepared a bill of lumber requiring 75-
000 feet for the Keystone Mill.

The new mill will be a 45x185 feet
addition to the old mill. This will be
used for New Mill, washing machinery
conveying belts, loading tower, (10 to
12 car capacity) and new summer
dryer (15 to 18 ton per hour).

It will require nearly all summer to
erect the buildings and place the ma-
chinery. Both mills are located be-
tween Mapleton and Mill Creek, Hunt-
ington county. This company owns
ten plants, one in Hancock, W. Va.;
the others are along the Juniata river.
Each plant has a capacity of 5 to 7
cars per day. There are other sand
plants not owned by this company in
this section with a capacity of 4 and 4
cars per day.

I have been asked to put in a 300 ton
plant in West Virginia.

Yours respectfully,
W. H. RUPKA.
