The First Pennsylvania State Normal School at Millersville offers free tuition to pupils over seventeen who are preparing to teach in the public schools of the State. It is a wellknown fact that any intelligent man making a list of the most prominent Normal Schools in the United States would include Millersville among the first half-dozen. The location of the school is ideal. Parents may send their children to Millersville with the knowledge that they are as safe as they can be anywhere.

Students who come to Millersville receive full credit for what they already know, and graduate as soon as they can with credit to themselves and the school. They are not pushed through the school, however, without being required to study, but are expected to do faithful, energetic work.

Have you seen the latest catalogue? A copy will be sent upon application to the Principal, and full information of the school will be given to all who are interested. Comfortable rooms may still be engaged for the fall term which begins on Tuesday, September 8th, 1903.

**Ex-Sheriff Daniel Bolender.**

LIVED THE ALLOTTED THREE SCORE AND TEN. DIED MONDAY, AUGUST 24, 1903.

**EX-SHERIFF BOLENDER DEAD.**

Quietly Passes Away Monday Morning at the Age of Seventy Years.

Daniel Bolender, Ex-Sheriff of Snyder County, died Monday morning at 10:30, Aug. 24, 1903. He had been in feeble health since last Summer when he had such a severe sick spell, but he moved about our streets regularly until last Thursday evening when he had a stroke of apoplexy. He recovered sufficiently to speak at times with his friends, but it was evident that life was only a matter of a few hours. His familiar figure, that for 70 years, moved over every part of Snyder County will no longer be seen here. He probably knew more men and was known by more men than any other man in the County.

The Ex-Sheriff was born Aug. 16, 1833, a twin, son of George Bolender, born March 29, 1799 and died Nov. 22, 1893, and his wife, Mary Becker, who died in 1882 at the age of 82 years. He was born in Franklin Township, (then Center twp., Union County,) now Snyder County, and made his home in and around Middleburg ever since.

He was married Feb. 22, 1855 by Rev. John P. Shindel to Sabina Shuman, with whom he had 11 children, four sons and one daughter being dead. The living are six daughters as follows:

Laura, married Theodore Walter, a clerk residing in Akron, Ohio. No children.

Ellen, married G. E. Haasinger, of this place. Two sons.

Lizzie, married Emmet Eyster, a clerk in a grocery store in Akron, Ohio. No children.

Kate Anna, of Akron, Mollie and Margaret of this place the last three being single.

He was the fifth sheriff of Snyder County after its organization in 1855. He was the only sheriff of Snyder County who was re-elected and he served four terms: first from 1867 to 1870; second from 1873 to 1876; third from 1879 to 1882; fourth from 1891 to 1894. He was nominated by the Republicans of Snyder County for the position of State Senator and declined the district nomination because he could not make a public speech. During his term of sheriff he saved men from being sold out whenever he could save them. He was always known for his generosity, and his liberality extended so far that his own finances often suffered.

He was baptised Nov. 17, 1833 by Rev. William German; Sponsors, Christian Walter and wife. He leaves an only sister, Mrs. Elias Hummel, of this place.

He was one of the oldest Masons in Snyder County and the next to the oldest surviving Member of Middleburg Lodge, the oldest being Peter Hartman of Penns-creek. He was entered in Lafayette Lodge No. 194 Dec. 27, 1867, passed Feb. 6, 1868 and raised March 7, 1868. He was admitted a member of Lodge No. 169, Apr. 21, 1869 as a Warrant member, the day the lodge was constituted.

The funeral will be held from his residence to the Court House Thursday afternoon at 2 o'clock. According to his oft expressed wish he will be buried with the masonic rites by the members of Middleburg Lodge and further according to his wishes his body will be taken to the court house, so that his earthly career will end in the tabernacle of justice where twelve of the best years of his life were spent in the performance of public duty.
