I am sure that mured on the high seas. He was in this idea will receive the support of all Colombians.

Asked whether Colombian troops could reach the Isthmus by land, Gen- ed George A. Hibbard postmaster at eral Reyes answered:

"Yes; I can get 100,000 men, build roads and, if it were not for the Americans, could subdue the Isthmus in a fortnight. I would rather die for the honor and in the defense of the integrity of my country than sit with hands folded and see her lose the Isthmus. I will do all I can at Washington to effect a diplomatic arrangement if such be possible. I know the sentiments of my countrymen."

General Reyes sent a cablegram to Bogota advising his government that it was impossible to reach any agreement with the government of Panama, and hence that Colombia's relations with that government were sovered. and that he, accompanied by the other commissioners, was proceeding to

Washington to fulfill his mission. General Reyes, who was a candidate for the presidency of Colombia, issued a decree dated at Barranguilla, November 16, addressed to the members of the electoral college at Bogota,

which said: "Having accepted a military mis sion, empowered with all presidential faculties in almost all departments of the republic at a moment when my country is preparing for a presidential election. I deem it my duty to relinquish my candidacy. Hence I renounce it irrevocably, offering my services to my country in any other position."

Aeronauts Blown to sea.

Oporto, Nov. 23 .- A chemist named Belchoir, with two companions, members of well-known families, made a balloon ascension from here. Their balloon after reaching a considerable height was caught by a current of air and carried to sea, and it is feared that its occupants were drowned.

Anglo-Italian Arbitration Treaty Signed London, Nov. 23 .- The Rome correspondent of the Daily Mail says that during the conference at Windsor on Thursday between King Victor Emmanuel and King Edward a permanent Anglo-Italian arbitration treaty was approved by both monarchs.
