

LOCALS.

The Pamphlet Laws for 1862, are now ready for distribution at the office of the Prothonotary.

Appointments, in view of the probable draft in this county on the 15th inst., have been made as follows:

Postponement of the Draft.—The Draft which was to have taken place on the 3rd inst., has been postponed until the 15th inst., when the quota of each County and subdivision, will be ascertained.

The Tax Law.—Appointments for this, the Thirteenth District, H. L. Scott, of Towanda, has been appointed Collector; and Benjamin P. Fortner, of Cattawissa, Assessor.

Our Excuse.—An accident to our roller makes it necessary to issue this number of our paper, rather imperfectly printed.

Severe Storm.—A cold and severe storm, accompanied with considerable wind, occurred at this place on Monday last, which continued late at night.

Tall Climbing.—Our young friend, Willard Spaulding, of Nicholson Township, in this County, has acquired quite a reputation as a daring and successful pole climber.

Incidendiaries.—Somebody seems persistent in the determination to burn the property of Mr. M. E. Coolbaugh.

Incendiaries.—Somebody seems persistent in the determination to burn the property of Mr. M. E. Coolbaugh.

Camp Ross.—All those who have visited Wyoming Valley have not failed to observe its broad river or its comfortable farm houses, its green hills and public monument.

The people of Luzerne are indebted to the admirable judgment of Gen. Dana, Senator Ketcham and Judge Ross that such a charming place was chosen for Camp Ross.

If the sanitary condition of the troops is well attended to, it seems to us impossible that any of the diseases commonly incident to camp life can affect them.

There are now four companies in Camp "Commanded" by Captains Cunningham, Reichart, Sornborger, and Hoyt.

The soldiers already manifest a warlike spirit in sundry hieroglyphs spread upon their tents, such as "Pine Swamp Ingles," "Irish Tigers," "Lion's Den," "Forty Thieves," &c.

Married.—CHASE—BENJAMIN—In Nicholson, Aug. 30th, by E. N. Bacon, Esq., Mr. Edwin Chase, to Miss Eleanor A. Benjamin, both of Lenox, Susquehanna Co.

THE LADIES FRIEND.

GODEY'S LADY'S BOOK FOR 1862.

THE WORLD'S FAVORITE. For 32 Years the Standard Magazine. Pronounced by the Press of the United States, "THE BEST" LADY'S MAGAZINE IN THE WORLD & TH CHAPST.

THE LITERATURE is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey's OUR STEEL ENGRAVINGS.

All efforts to rival us in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION PLATES CONTAINING From five to seven full length Colored Fashions on each plate. Other magazines give only two. Far Ahead of any Fashions in Europe or America.

Godey's is the only magazine in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost \$10,000 More than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited. These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECIPIES are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE. This department contains complete engravings and descriptions of every article that a lady wears.

MODEL COITAGES. No other magazine has this department. TERMS, CASH IN ADVANCE. One copy one year, \$3. Two copies one year, \$5. Three copies one year, \$6. Four copies one year, \$7.

Five copies one year, and an extra copy to the person sending the club, \$10. Eight copies one year, and an extra copy to the person sending the club, \$15. Eleven copies one year, and an extra copy to the person sending the club, \$20.

And the only magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.

Special Clubbing with other Magazines. Godey's Lady's Book and Arthur's Home Magazine both one year for \$3 50. Godey's Lady's Book and Harper's Magazine both one year for \$4 50. Godey, Harper, and Arthur, will all three be sent one year, on receipt of \$6 00. Treasury Notes and Notes of all solvent banks taken at par.

Be careful and pay the postage on your letter. Address L. A. GODEY, 323 Chestnut Street, Philadelphia, Pa. Dec. 4, 1861.

THE PHILADELPHIA INQUIRER, DOUBLE SHEET, FOURTY-EIGHT COLUMNS, Published every Morning, (Except Sunday,) by WILLIAM W. HARDING, No. 121 South Third St., Philad'a.

THE GREAT NEWSPAPER OF PHILADELPHIA! The trying times of the nation's history in which we live, render a

LIVE NEWSPAPER! an indispensable necessity to every man who would keep himself informed of the important events which are daily transpiring. To furnish a paper which will meet the just expectations of the public in such a time as the present, requires an amount of labor and of extraordinary expense of which the community at large have no conception. The Publisher of THE PHILADELPHIA INQUIRER, has spared no efforts or money to make it all that it could be.

Besides improving and strengthening the home feeling during the past year, several of the best Reporters and Letter Writers in the country, have been sent, at a great expense, with the Army and Navy, and have frequently given the public the first and fullest accounts by telegraph and by mail of important events at the Seat of War. THE INQUIRER was the first northern paper to give the account of the Hatteras and Port Royal victories, and was twelve hours in advance of any paper in the country in its publication of the details of the "Ball Run Battle." What THE INQUIRER has done, is but an earnest of what will be done, in order to give its readers the earliest and best accounts of every event of interest connected with

THE GREAT REBELLION, and at the same time have it maintain its reputation as the BEST GENERAL NEWSPAPER IN THE COUNTRY.

The increase in the circulation of THE INQUIRER during the year, is the best evidence of the extent to which the public rely upon it for the news of the day. Its circulation has averaged for SEVERAL MONTHS past,

Over Two Hundred Thousand Copies a week, or nearly Forty Thousand A Day; and it has, during the year, in times of excitement, reached Over Seventy Thousand a day—testing the capacity of OUR FAST PRESS to the utmost to supply the demand. It commenced the New Year with new and beautiful Copper-faced Type, and with renewed vigor and activity in its News and Editorial departments.

The INQUIRER is independent in politics. Prices at which "The Philadelphia Inquirer" is furnished: Single Copies, Two Cents, or Twelve Cents a Week. Daily Paper, 6 00 per annum, in advance. Tri-Weekly, 4 00

All Letters should be addressed to WILLIAM W. HARDING, Publisher, Inquirer Building, 121 South Third St., Phil'a. NEW ESTABLISHMENT. The subscriber has opened a New Store at Meshoppen, for the sale of BOOTS AND SHOES.
