PROSPECTUS

TO BE PUBLISHED DAILY AND WEEKLY THE CITY OF PHILADELPHIA,

BY A. J. GLOSSBRENNER & Co. A. J. GLOSSBRENNER. FRANCIS J. GRUND.

WILLIAM H. WELSh. "THE Age" will advocate the principles and policy of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and

that of this Commonwealth. It will freely and fairly discuss all legitimate subjects of newspaper comment, including of course, and pre-emine ntly at this time, all questions connected with the existing unhappy condition of our ountry. It will fearlessly criticise the public actsof public servants, and defend the legal and constitutional rights of individual citizens and of sovereign states,

against assualts from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Repub-lic—to present to them, truthfully, the fearful perils in which we stand as a nation-to exhibit the magni tude of the task that is before them, if they would check our downward progress—and to inspire them with patriotic determination to apply THE REMEDY

for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to re the latti-ful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic par-ty, under whose auspices our country prospered so long and so well. The restoration of that party the party of the Constitution and the Union-to power, in the legislative and executive governmen-tal branches of the States and of the Union, we believe to be necessaryto avert anarchy, and the utter ruin of the Republic. To contribute to that restora

tion will be our highest aim. The News, Literary, Commercial, and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.

The many difficulties now surrounding an en erprise of the magnitude of that in which the under signed are engaged, require them to appeal to the public for a generous support, and to ask for "THE AGE" a liberal patronage and extended circulation. The present state of the preparatory arrangements varrants the expectation, that the first number of

How impor-tant that you secure a faithful likeness of your friends and relatives ore it is too late. You have all experienced something of the satisfaction afforded in gazing on the Picture of an absent friend; and some of you have known the sad pleasure derived from possessing the likeness of some loved one who has been laid be-

A memento so cherished;
For, how sacred the shadow,
Since the substance has perished."

But you perchance have friends still with you whose pictures you have not yet secured. If so make it the business of to-day, to-morrow may be too late.
