"The Age,

A NATIONAL DEMOCRATIC NEWSPAPER

"THE AGE" will advocate the principles and policy of the Democratic party, and will, therefore, nec-essarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth. It will freely and fairly discuss all legitimate sub-

it will reely and hilly discuss all legitimate sub-jects of newspaper comment, including of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country. It will fearlessly criticise the public acts of public servants, and defend the legal and constitutional rights of individual citizens and of sovereign states,

rights of individual citizens and of sovereign states, against assualts from any quarter. It will seek to awaken the minds of the people to a proper sense of the a tuni condition of the Repub-lic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magni-tude of the task that is before them, if they would check our downward progress-and to inspire them with patriotic determination to apply THE REMEDY for our national ills.

for our national ills In brief, it will, in all things, aim to be the faith-ful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic par-ty, under whose auspices our country prospered so long and so welt. The restoration of that partythe party of the Constitution of that party-the party of the Constitution and the UNION-to power, in the legislative and executive governmen-tal branches of the States and of the Union, we be-lieve to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restora tion will be our highest aim. The News, Literary, Commercial, and other de-

partments, will receive due attention, and will be so conducted as to make "THE AGE" worthy of the support of the general reader. The many difficulties now surrounding an en-

erprise of the magnitude of that in which the terprise of the magnitude of that in which the under signed are engaged, require them to appeal to the public for a generous support, and to ask for "THE AGE" a liveral patronage and extended circulation.
