Drowned .-- Five persons were drowned near the outlet of the Gravel pond in Abington Township, on Saturday last, by the sinking of a boat in which they were riding at the time. Four of these unfortunate persons were children of Loren Dewey Esq .three daughters and one son, aged from 8 to 22 years The fifth, was neice-a young lady on a visit to his house, from Vermont. Mr Murry, a resident near the pond was within sight, at the time of this terrible accident, and though they were near the shore, ow ing to his crippled condition, he was unable to relieve them. They were buried on Sunday last-several thousand persons attending the funeral, which is represented by those in attendance to have been one of the most solemn occasions ever witnessed by them,

Died.

TUTTON -- At Nichols, Tigo Co N. Y., James Tutton, aged 67 years.

The subject of the above notice-the father of Geo S. Tutton of this place, was born in Glastonbury, Somersetshire Co., England, and migrated to the United States in 1830, to escape the tyranical exactions of a monarchial Government, and enjoy here unrestria ned freedom in religious and political opin ion. He was possessed of rare musical talents and occupied much of his time durring many years, in the manufacture of musical instruments. By his high ly receiving, a large stock of goods, social qualities, correct business habits, strict honesty and integrity, he acquired the confidence of all who knew him, and held among them various positions of honor and trust. He was a prominent and highly esteemed member of the Masonie fraternity; and was buried with the solemn and impressive rites of that order An aged and infirm wife survives him; and with her now widely separated family will deeply feel his loss.
