

Political.

Centralization—the Doctrine of a Stronger Government.

The central idea, in our political opinion, at the beginning was, and until recently continued to be, the equality of men.

Let past differences as nothing be, and with steady eye on the real issue, let us inaugurate the good old central ideas of the republic.

What a commentary upon the history of man is the fact that eighteen years after the death of John Quincy Adams, the people have for their standard bearer Abraham Lincoln, confessing the obligations of the Higher Law which the Sage of Quincy proclaimed.

The Secretary of State, while endeavoring to vindicate the vitality of the Federal Government to Lord Lyons, illustrated his position by saying:

My Lord, I can touch a bell on my right hand and order the arrest of a citizen of Ohio, I can touch the bell again and order the imprisonment of a citizen in New York, and no power on earth but that of the President can release them.

How Can Honest Men Support Curtin.

The "Pittsburgh Dispatch" informed the public, at the time the Hon. Samuel A. Purviance withdrew from Curtin's Cabinet, that the State Administration was "rapidly exhibiting its worthlessness and sinking to infamy."

The Kittington Monitor says:—When the tax collector comes around with his warrant; when we have to go and buy a stamp on a deed, note, &c., when we have to take out a license to buy or sell; when we go to a store and pay forty cents a pound for coffee instead of ten; when we look at our public debt and find it accumulating at the rate of over \$2,000,000 per year; when we look at our sons and brothers dragged from their homes to fight in war, and when we look at the vacant chairs or new made graves, let us remember that all these Abraham Lincoln and the party that support him is responsible for.

"IT WILL REQUIRE A DECIDED MAJORITY INDEED, TO ENABLE ANY PARTY IN THIS STATE TO CARRY ON A SUCCESSFUL CAMPAIGN BURDENED BY SUCH A NOMINEE AS CURTIN."

"HIS NOMINATION WOULD BE DISGRACEFUL TO THE PARTY AND HIS ELECTION IMPOSSIBLE."

"I DON'T UNDERSTAND HOW A MAN CAN CLAIM TO BE A FRIEND TO THE UNION, AND YET BE IN FAVOR OF WAR UPON TEN MILLIONS OF PEOPLE IN THE UNION. YOU CANNOT COVER IT UP MUCH LONGER UNDER THE PRETEXT OF LOVE FOR THE UNION."

TROOPS AT ELECTIONS.—By the 95th section of the Act of Assembly of the State of Pennsylvania of 24 July, 1833, it is enacted that—

"NOD BOY OF TROOPS IN THE ARMY OF THE UNITED STATES, OR OF THIS COMMONWEALTH, SHALL BE PRESENT, EITHER ARMED OR UNARMED, AT ANY PLACE OF ELECTION WITHIN THIS COMMONWEALTH, DURING THE TIME OF SUCH ELECTION."

"JUDGE WOODWARD IS A CITIZEN OF UNIMPEACHABLE CHARACTER, AN ABLE JURIST AND A PATRIOTIC GENTLEMAN."

This is a good endorsement of the Democratic candidate for Governor, coming as it does from one of the most influential Republican journals in the State.

Falsehood.—I have no purpose, directly or indirectly to interfere with the institution of slavery in the States where it exists.

I order and declare that all persons held as slaves in the said States and parts of States are and hereafter shall be free.

Wise and Otherwise.

A FRIEND wishes to inquire if any of the following causes are sufficient for exemption:

- 1. Doesn't think the army life would agree with his constitution.
2. Is making arrangements to enter the second class.
3. Has two brothers who will be in the service, when they can get commissions.

If none of these will answer he would like to inquire the fare to Canada.

IMPUDENT QUESTIONS.—To ask an unmarried lady how old she is.

To ask a lawyer if he ever told a lie.

To ask a doctor how many persons he has killed.

To ask a merchant if he ever cheated a customer.

To ask a young lady if she would like a beau.

To ask an editor the names of his correspondents.

To ask a subscriber if he paid the printer.

To ask an Abolitionist if he loves the Union and the Constitution.

To ask a loyal Leaguer if he is going to enlist.

THE TRUTH.—Good old Wesley said: He that is nurturing self-love in his child, is nurturing a devil.

One of the greatest outrages ever perpetrated to a people on earth, has been that of the Lincoln Administration, in uniforming and arming negro troops and demanding their equal consideration with the volunteer citizen soldiers of the Republic!

The negroes who had deserted from the military service in Massachusetts, were arrested a few days since.

A WIDE AWAKE conscript in Massachusetts came out of the Provost Marshal's office with a receipt for \$300.

We ask our Republican friends to recollect that the attacks on Governor Curtin are all from their own party.

If you want protection of life, of property and peace in Pennsylvania, vote for Woodward. If not, go for Curtin.

If you want more blood, more debt, more desolation, vote for Curtin.

If you want a Governor vote for Woodward—if you don't want a Governor vote for Curtin.

Tom Ford who lost us Harper's Ferry, with 10,000 men, and hosts of arms and ammunition, is on the stump in Ohio denouncing the "Copperheads."

"Blessed are the peace makers," says the Good Book. If the vice versa of blessed is in store for those who stir up strife and make bloodshed, won't Old Nick have a glorious time frying Republicans?

Gen. Cass is said to be so feeble that he cannot live much longer. He is in his 81st year.

If poor man thinks that his blood is not as pure as that of the rich man's, then let him vote for the \$300 distinction.

An eminent divine once preached from the text: "Ye are children of the devil," and afterward, by a funny coincidence, from the words "children obey your parents."

A Western editor has married a girl named Church—and says he has felt happier since he joined the Church than he ever did before.

Which is the queen of roses in the garden? The rose of the watering pot, for it rains over all others.

The man who courted an investigation says that it isn't half as good as courting an affectionate girl.

Quantrell, the devastator of Lawrence, is an Ohioan by birth. He is from Oberlin, and was a violent abolitionist there.

* * * What is the largest jewel in the world? The Emerald Isle.

* * * The man who would try to stab a ghost would stick at nothing.

PROSPERUS OF "The Age,"

A NATIONAL DEMOCRATIC NEWSPAPER TO BE PUBLISHED DAILY AND WEEKLY IN THE CITY OF PHILADELPHIA, BY A. J. GLOBESBRENNER & CO.

"THE AGE" will advocate the principles and policy of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was and defend the Constitution of the United States, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of newspaper comment, including of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country. It will fearlessly criticize the public actors, public servants, and defend the legal and constitutional rights of individual citizens and of sovereign states, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the true condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our retrograde progress—and to inspire them with patriotic determination to apply the remedy for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the CONSTITUTION and the UNION—to power, in the legislative and executive governments of the States and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and other departments will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.

The many difficulties now surrounding an enterprise of the magnitude of that in which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "The Age" a liberal patronage and extended circulation. The present state of the preparatory arrangements warrants the expectation, that the first number of the Daily will appear before the close of the coming month, (February, 1863.) The Weekly will be issued soon thereafter.

TERMS. DAILY. Per Annum, \$6.00 Six Months, 3.00 Three Months, 1.50 Copies sold at the counter, and to Agents and Carriers, 2 cents each.

WEEKLY. Per Annum, \$2.00 Six Months, 1.00 Three Months, .50 Ten Copies to one address, 17.50 Twenty " " 32.00 Thirty " " 45.00 Payment required invariably in advance.

Ayer's Sarsaparilla

THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES.

From Rev. Robt. Stratton, Bristol, England. I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which were unable to cure until we tried your Sarsaparilla. She has been well for some months.

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennismore, Cape May Co., N. J. My daughter has suffered for a year past with a scrofulous eruption on her face, which she has been unable to cure until we tried your Sarsaparilla. She has been well for some months.

From Charles P. Gage, Esq., of the widely-known firm of G. W. Murray & Co., manufacturers of colored papers in Nashua, N. H. I had for several years a very troublesome humor in my face, which was constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could do of both a medical and medicinal nature, but without whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease, and I know of no other remedy that will cure it. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla.

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Savin, Houston St., N. Y. Dr. AYER: I seldom fail to remove Erysipelas and Scrofulous Sores by the persevering use of your Sarsaparilla. I have cured many cases of this kind, and of Malignant Erysipelas with it. No alternative we possess equals the Sarsaparilla in its power to supply the system with blood, and to purify the blood.

From J. E. Johnston, Esq., Wakarusa, Ohio. For twelve years I had the yellow Erysipelas on my right arm, during which time I had the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that I could scarcely see, and the disease was taking my arm until it was completely amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills, and the disease was cured. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this country, and excites the wonder of the people.

From Hon. Henry Moore, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament. I have used your Sarsaparilla in my family for generations, and have seen it cure the blood with very beneficial results, and feel confident in commending it to the afflicted.

St. Anthony's Fire, Rose, Salt Rheum, Scalds, Burns, Eruptions. From Harvey Sicker, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. Our only child, about three years of age, was attacked with St. Anthony's Fire, which rapidly spread until it formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, and he was in a very bad way. I began using your Sarsaparilla, and in a few days the corrupt wound which covered his whole face, having tried every thing else we had any hope from, began to heal, and in a few days he was able to see. The child's eyes, which had come out, grew again, and he is now as healthy and fair as any other child. The whole neighborhood predicted that the child must die.

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri. I find your Sarsaparilla an excellent remedial remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have.

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary types, and in all in some cases it is more efficacious than any other remedy. I do not know what we can employ with more certainty of success, where a powerful alternative is required.

Mr. Chas. S. Van Lier, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of your Sarsaparilla cured him. Fees can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alternative effect of the Sarsaparilla. Some cases require, however, the use of the Sarsaparilla, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. J. C. Ayer, Lowell, Mass. I have found your Sarsaparilla an excellent alternative in diseases of females. Many cases of irregularity of the Menstrual System, Neuralgia, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when the effect is properly aided by local treatment.

A lady, unwilling to allow the publication of her name, writes:— "My daughter has been cured of a very debilitating Leucorrhoea, which she had long standing, by two bottles of your Sarsaparilla."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Gravel, Hemorrhoids, Neuralgia, and other diseases caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by

H. Stark, Tunkhannock; T. D. Spring, Factoryville; and by dealers in Medicines everywhere.
