Godey's Lady's Book For 1864.

GREAT LITERARY AND PICTORIAL YEAR!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last thirty-four years of a larger circulation than any in America, has made an arrangement with the most popular authoresses in this country—

MARION HARLAND. Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam," who will furnish stories for the Lady's Book for 1864. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine.

Marion Harland writes for no other magazine. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST Lady's Magazine in the World, and the Cheapest.

THE LITERATURE is of that kind that can be read aloud in the family circle, and the clerical in immense numbers are subscribers for the Book.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey," **OUR STEEL ENGRAVINGS** All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE-SHEET FASHION PLATES. CONSISTING **From five to seven full length Colored Fashions on each plate. Other magazines give only two. FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.**

THE PUBLICATION OF THESE PLATES COST \$10,000 MORE, than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spend money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR STEEL ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS are such as can be found nowhere else. Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE. This department comprises engravings and descriptions of every article that lady wears.

MODEL COLLAGES. No other magazine has this department.
