THE SINGER SEWING MACHINES.

Our **LETTER A FAMILY SEWING MACHINE** is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gimping, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the finished stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and cheapest manner possible, others are adorned and embellished in the most costly and superb manners.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming so popular for family sewing as our manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality. Send for a PAMPHLET.

PROSPECTUS OF "The Age,"

A NATIONAL DEMOCRATIC NEWSPAPER TO BE PUBLISHED DAILY AND WEEKLY IN THE CITY OF PHILADELPHIA, BY A. J. GLOSSBRENNER & Co.

A. J. GLOSSBRENNER, FRANCIS J. GRUND, WILLIAM H. WELSH

"The Age" will advocate the principles and policy of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was and defend the Constitution of the United States, and that of this Commonwealth.

It will fearlessly criticize the public acts of public servants, and defend the rights of the people, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will fearlessly criticize the public acts of public servants, and defend the rights of the people, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will seek to awaken the minds of the people to a proper sense of the true condition of the Republic—to present to them the restoration of the federal perils in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our downward progress—and to inspire them with patriotic determination to apply the remedy for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well.

The restoration of the party to the party of the CONSTITUTION and the Union to power, in the legislative and executive governmental branches of the States and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and other departments, will receive due attention, and will be conducted as to make "The Age" worthy of the support of the general reader.

The many difficulties now surrounding an enterprise of the magnitude of that in which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "The Age" a liberal patronage and extended circulation.

The present state of the preparatory arrangements warrants the expectation, that the first number of the Daily will appear before the close of the coming month, (February, 1863.) The Weekly will be issued once thereafter.
