U.S. 5-20'S

The Secretary of the Treasury has not yet given notice of a sale, to wit: this popular Loan from sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue to supply the public.  
The whole amount of the Loan authorized by the President of the United States, is one Hundred Millions of Dollars. Nearly Four Hundred Millions have already been subscribed for and paid into the TREASURY, mostly within the last seven months. The large demand for them, and the rapidly increasing demand, make it difficult for the Government to supply them at once. It is almost a certainty, that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, THE INTEREST AND PRINCIPAL OF WHICH ARE PAYABLE IN GOLD.  
Tendency and self-interest must force the minds of those contemplating the formation of national Banking Associations, as well as the minds of all who have their money in their hands, to the prompt conclusion that they should take to themselves, this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven-Thirty" Loan, when it was all sold and could no longer be subscribed for at par.  
LET US A SIX PER CENT LOAN, the interest on Principal PAYABLE IN COIN, thus yielding NINE PER CENT PREMIUM at the present rate of premium on coin.  
The Government requires \$100,000,000 to be paid in Coin; these dollars have for a long time past, amounted to over a Quarter of a Million of dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.  
The Loan is called 5-20 from the fact that while the Funds may run for 20 years, yet the Government will not require the loan of it in full until at any time after five years.  
The interest is paid half-yearly, viz on first day of November and May.  
Subscribers have Coupon Bonds, which are payable to bearer, and are \$50, \$500, and \$1000; or Registered Bonds of same denominations, and in addition \$5,000 and \$10,000. For Banking purposes and for investments of Trust-money the Registered Bonds are preferable.  
These 5-20's cannot be taxed by State cities, towns or counties, and the Government tax upon them is only one-half per cent, on the annual interest, when the bonds are sold for less than six hundred dollars per annum; all other investments, such as income from mortgages, railroad stock, and bonds, etc., must pay from three to five per cent. tax on the income.

Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail or otherwise, promptly attended to.  
The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

PARTICULAR NOTICE  
There are many preparations sold under the name of Bitters, which are not only worthless, but are also the cause of the most dangerous and distressing diseases. It is kept continually under the influence of alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's sad death. Those who desire and will have a Liqueur, Bitters, see to it that they get the most pure. The Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far exceed in medicinal virtues and true excellence any of the numerous Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in conjunction with a good article of Brandy, at a much less price than these inferior preparations will cost you!

YELLOW FEVER, BILIOUS FEVER, &c

Those suffering from Broken down and Delicate Constitutions, From whatever causes, either in MALE and FEMALE, WILL FIND IN HOOFLAND'S GERMAN BITTERS, A REMEDY That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.  
From Rev. J. Newton Brown, D.D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no good reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may, thus contribute to the benefit of others.  
I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Schoemaker, Esq., for the removal of this prejudice by proper tests, and for encouraging me to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.  
J. NEWTON BROWN, Philadelphia, June 23, 1861.

DISEASES OF KIDNEYS AND BLADDER, In Young or Aged, Male or Female. Speedily removed, and the patient restored to health.  
DELICATE CHILDREN.  
Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, or cured in a very short time one bottle in such cases, will have a most surprising effect.  
PARENTS.  
Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.  
LITERARY MEN, STUDENTS,  
And those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing. IT IS NOT A LIQUOR STIMULANT, AND LEAVES NO PROSTRATION.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS!  
We are indebted to all having read of the fact in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if those Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.  
The proprietors are daily receiving thanks from soldiers of the army and hospital, who have been restored to health by the use of these Bitters, sent to them by their friends.
