U.S. 5-20'S  
The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue, to supply the public.  
The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the TREASURY, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for usage the basis for circulation by National Banking Associations now organizing in all parts of the country, will in a very short period, absorb the balance. Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue; and in the issue of the Interest bearing Legal Tender Treasury notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans. THE INTEREST AND PRINCIPAL OF WHICH ARE PAYABLE IN GOLD.  
Prudence and self interest must force the minds of those contemplating the formation of national Banking Associations, as well as the minds of all who have the money in their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.  
IT IS A SIX PER CENT LOAN, the interest and Principal PAYABLE IN GOLD, thus yielding NINE PER CENT. PREMIUM at the present rate of premium on coin.  
The Government requires all duties on imports to be paid in Coin; these duties have for a long time past, amounted to over a Quarter of a Million of dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.  
The Loan is called 5-20 from the fact that whilst the Funds may run for 20 years, yet the Government has a right to pay them off in Gold at par, at any time after five years.  
The Interest is paid half-yearly, viz: on first days of November and May.  
Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$500, and \$1000; or Registered Bonds of same denominations, and in addition \$5,000 and \$10,000. For Banking purposes and for investments of Trust-moneys the Registered Bonds are preferable.  
These 5-20's cannot be taxed by States cities, towns or counties, and the Government tax on them is only one-and-a-half per cent., on the amount of income, when the income of the holder exceeds Six Hundred dollars per annum: all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent. tax on the income.  
Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail or otherwise, promptly attended to.  
The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.  
From Rev. J. Newton Brown, D. D., Editor of the  
Encyclopedia of Religious Knowledge.  
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not safely to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.  
I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.  
PHILAD'A, June 23, 1861. J. NEWTON BROWN.  
DISEASES OF KIDNEYS AND BLADDER,  
In Young or Aged, Male or Female,  
Speedily removed, and the patient restored to health.  
DELICATE CHILDREN,  
Those suffering from MARASMOUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.  
PARENTS  
Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.  
LITERARY MEN, STUDENTS,  
And those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing. IT IS NOT A LIQUOR STIMULANT,  
AND LEAVES NO PROSTRATION.  
ATTENTION, SOLDIERS!  
AND THE FRIENDS OF SOLDIERS!  
We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.  
The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not safely to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. PHILAD'A, June 23, 1861. J. NEWTON BROWN.
