From Mrs. dame E. Rice, a well-known and muckesteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has saffered for a year past with serofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Saisaparilla, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known famor of Gage, Murray & Co., manufacturers of enamelled papers in Naskua. N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable militetion. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It impediately made my face worse, as you told meit might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. From Dr. Robt. Sarvin, Houston St., N. Y.
Dr. Ayer: I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsaparilla, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. From Hon. Henry Monro, M. P. P. of Newcastle, C. W., a leading member of the Canadian Parliament.

Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsaparatilla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. Syphilis and Mercurial Disease.

From A. J. French, M. D., an eminent physician of Lawrence, Mass. who is a prominent member of the Legislature of Massachusetts.

"DR. AYER—My dear Sir: I have found your Sarsaparella an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternive is required."

Mr. Chee, S. Van Liene of New Brunnwick, M. J. ful alterative is required."

Mr. Chas. S. Van Liev, of New Brunswek, N. From the lebrated Dr From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARAFABILLA an excellent alterative in diseases of females. Many cases of irregularity. Leucorrhoa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
