Teasons way a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced aga not them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the pr sent year, was followed by evident relief, and restoration to a degree of bodily an imental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

DELICATE CHILDREN.

Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cared in a very short time: one bottle in such cases, will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenc-ed with these Bitters.

LITERARY MEN, STUDENTS, And those working hard with their brains, should always keep a bottle of **Hoofland's Bitters** near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT, AND LEAVES NO PROSTRATION.

Every case of that kind can be readily cured by Hoofland's German Bitters.
