Godey's Lady's Book

For 1864.

GREAT LITERARY AND PICTORIAL YEAR!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-four* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND.

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam"

who will furnish stories for the Lady's Book for 1864. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine.—Marion Harland writes for no other magazine.—Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

Lady's Magazine in the World, and the Cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE MUSIC

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey,"

OUR STEEL ENGRAVINGS

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

IMMENSE DOUBLE-SHEET FASHION PLATES.

CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

THE PUBLICATION OF THESE PLATES COST

$10,000 MORE,

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR STEEL ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRRWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect.—This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTLAGES.

No other magazine has this department.

PROSPECTUS FOR 1864.,

THE WORLD:

An Independent Democratic Daily, Semi-Weekly and Weekly Newspaper.

UNION OF THE WORLD AND ARGUS'

THE WORLD, to which the New York *Weekly Argus* has been united, has to-day five times the aggregate circulation of any Democratic or conservative nespaper. It addresses weekly alone more than **100,000** subscribers and constant purchasers, and reaches at least *half a million* readers.—With the steady increase in circulation which it now enjoys, these numbers will soon be doubled. Nothing less than this should satisfy those who believe that the only hope of restoring the Union and the authority of the Constitution over a now distracted and divided country, lies in wresting power from the hands of those whose fanaticism has helped to provoke, invite and prolong the war; and that to accomplish this end, no means is so affective as the diffusion, through able and enterprising newspaeers, of sound political knowledge among the working men, the thinking men, and the voting men of the North.

Enterprise, industry and money will be liberally expended to make THE WORLD the BEST NEWSPAPER IN AMERICA Its news from every part of the world will be early and authentic. Wherever the telegraph extends, or railroads run, or steamboats ply, it will gather the latest intelligence It has a large staff of accomplished correspondents with all the federal armies, who will telegraph and write to us the latest news from the various seats of war. It has correspondents and reporters in every political and commercial centre in America and Europe, whose letters and dispatches will leave nothing worthy of note unknown to its readers

THE MARKET REPORTS of the WORLD are more complete than those of any other newspaper. The Editors invite comparison in this respect and point to the Cattle Markets, the general and country Produce Markets, and the Money Market in its columns, as proof of excellence in this respect. The WORLD has also a special department devoted to Agriculture, filled with editorial articles, communications from practical farmers, and selected matter, making a valuable and useful paper for Farmers and Mechanics of the country.

The war in which the nation is engaged against armed and infatuated Rebels, and the radical policy of the administration which prolongs it, have conspired to bring together upon one platform all conservative, Union-loving and Constitution-loving men, of whatever former name or creed Many of those who, within the limits of the Constitution, fought the battles of the b llot box under the leadership of those patriotic statesmen of other and better days, Henry Clay and Daniel Webster, together with the masses whose principles were those of such patriots as Andrew Jackson and William L. Marcy, Silas Wright and Stephen A. Douglas, now stand shoulder to shoulder upon the same platform and under the same banner The platform is a plain one. It is to *restore the Union, maintain the Constitution, and enforce the Laws.* Whatever makes for this end, the exercise of force or the policy of conciliation, THE WORLD will advocate; whatever makes against it, THE WORLD will oppose

It will oppose every enemy to THE UNION, whether armed in rebellion at the South or insidiously planting the seeds of disunion and esential disloyalty at the North.

It will oppose every violation of THE CONSTITUTION, which is the only hope and bond of Union, and our only authority for exhorting or compelling the allegiance of the South.

It will oppose every infraction of THE LAW, in high places or in low, by reckless and misguided partizans, or by the administration which has been their example.

It will fearlessly exercise the *Freedom of the Press*: it will constantly uphold and defend *Freedom of Speech* and *Freedom of the Ballot.*

To the lawless acts of the Administration, its arbitrary arrests and expatriiations, its denial of the right to the writ of *habeas corpus*, its illegal proclamations, its abrogation of State and federal laws, its despotic accumulations of ungranted power, and its subversions of the safeguards of *civil and personal liberty*, it will constantly uphold the letter and the spirit of our supreme law and the advocacy of sound doctrine, until American freemen shall be roused to the recovery of their rights, their liberties their laws, and their limited and well-balanced government, by the resistless decision of the ballot.

Profoundly impressed with the desire to contribute all that it may to the great work of this generation, namely to restore our national unity, and to place the United States again foremost among the nations of the earth, and first in the peace, prosperity and happiness of its people—THE WORLD seeks from those who desire such things their sympathy and support, and, above all, the favor Him who crowns every good work.

PARTICULAR NOTICE

There are many preparations sold under the name of Bitters, put up in quart Bottles, compounded of the cheapest whiskey or comm on rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's and death.

For those who desire and **will have** *a Liquor Bitters, we publish the following receipt. MALE AND FEMALE,

HOOFLAND'S GERMAN BITTERS,

A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the pr sent year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861. J. NEWTON BROWN.

DISEASES OF KIDNEYS AND BLADDER,

In Young or Aged, Male or Female,

Speedily removed, and the patient restored to health.

DELICATE CHILDREN,

Those suffering from **MARASMUS,** wasting away, with scarcely any flesh on their bones, are cured in a very short time: one bottle in such cases, will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN, STUDENTS,

And those working hard with their brains, should always keep a bottle of **Hoofland's Bitters** near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,

AND LEAVES NO PROSTRATION.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

BEWARE OF COUNTERFEITS.
