PROSPECTUS FOR 1864.

THE WORLD:

An Independent Democratic Daily, Semi-Weekly and Weekly Newspaper.

UNION OF THE WORLD AND ARGUS.

THE WORLD, to which the New York *Weekly Argus* has been united, has to day five times the aggregate circulation of any Democratic or conservative newspaper. It addresses weekly alone more than **100,000** subscribers and constant purchasers, and reaches at least *half a million* readers.—With the steady increase in circulation which it now enjoys, these numbers will soon be doubled. Nothing less than this should satisfy those who believe that the only hope of restoring the Union and the authority of the Constitution over a now distracted and divided country, lies in wresting power from the hands of those whose fanaticism has helped to provoke, invite and prolong the war; and that to accomplish this end, no means is so effective as the diffusion, through able and enterprising newspapers, of sound political knowledge among the working men, the thinking men and the voting men of the North.

Enterprise, industry and money will be liberally expended to make THE WORLD the BEST NEWSPAPER IN AMERICA. Its news from every part of the world will be early and authentic. Wherever the telegraph extends, or railroads run, or steamboats ply, it will gather the latest intelligence. It has a large staff of accomplished correspondents with all the federal armies, who will telegraph and write to us the latest news from the various seats of war. It has correspondents and reporters in every political and commercial centre in America and Europe, whose letters and dispatches will leave nothing worthy of note unknown to its readers.

The Market Reports of the World are more complete than those of any other newspaper. The Editors invite comparison in this respect and point to the Cattle Markets, the general and country Produce Markets, and the Money Market in its columns, as proof of excellence in this respect. The World has also a special department devoted to Agriculture, filled with editorial articles, communications from practical farmers, and selected matter, making a valuable and useful paper for Farmers and Mechanics of the country.

The war in which the nation is engaged against armed and infuriated Rebels and the radical policy of the administration which prolongs it, have conspired to bring together upon one platform all conservative, Union-loving and Constitution-loving men, of whatever former name or creed. Many of those who, within the limits of the Constitution, fought the battles of the ballot box under the leadership of those patriotic statesmen of other and better days, Henry Clay and Daniel Webster, together with the masses whose principles were those of such patriots as Andrew Jackson and William L. Marcy, Silas Wright and Stephen A Douglas, now stand shoulder to shoulder upon the same platform and under the same banner. The platform is a plain one. It is *to restore the Union, maintain the Constitution, and enforce the Laws*. Whatever makes for this end, the exercise of force or the policy of conciliation, THE WORLD will advocate; whatever makes against it, THE WORLD will oppose.

It will oppose every enemy to THE UNION, whether armed in rebellion at the South or insidiously planting the seeds of disunion and essential disloyalty at the North.

It will oppose every violation of THE CONSTITUTION, which is the only hope and bond of Union, and our only authority for exhorting or compelling the allegiance of the South.

It will oppose every infraction of THE LAW, in high places or in low, by reckless and misguided partizans, or by the administration which has been their example.

It will fearlessly exercise the *Freedom of the Press*; it will constantly uphold and defend *Freedom of Speech* and *Freedom of the Ballot*.

To the lawless acts of the Administration, its arbitrary arrests and expatriations, its denial of the right to the writ of *habeas corpus*, its illegal proclamations, its derogation of State and federal laws, its despotic accumulations of ungranted power, and its subversions of the safeguards of *civil and personal liberty*, it will constantly uphold the letter and the spirit of our supreme law and the advocacy of sound doctrine, until American freemen shall be roused to the recovery of their rights, their liberties their laws, and their limited and well-balanced government, by the resistless decision of the ballot.

Profoundly impressed with the desire to contribute all that it may to the great work of this generation, namely to restore our national unity, and to place the United States again foremost among the nations of the earth, and first in the peace, prosperity and happiness of its people—THE WORLD seeks from those who desire such things their sympathy and support, and, above all, the favor Him who crowns every good work.

PARTICULAR NOTICE

There are many preparations sold under the name of Bitters, put up in quart Bottles compounded of the cheapest whiskey or common rum costing from 20 to 40 cents per gallon the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's end death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One **Bottle Hoofland's German Bitters** *and mix with* **Three Quarts of Good Brandy or Whiskey,** *and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.*

From whatever causes, either in
MALE AND FEMALE,
WILL FIND IN
HOOFLAND'S GERMAN BITTERS,
A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861 J. NEWTON BROWN.

DISEASES OF KIDNEYS AND BLADDER,
In Young or Aged, Male or Female,
Speedily removed, and the patient restored to health.

DELICATE CHILDREN,

Those suffering from **MARASMUS,** wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN, STUDENTS,

And those working hard with their brains, should always keep a bottle of **Hoofland's Bitters** near them, as they will find much benefit from its use, to both mind and body, Invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,
AND LEAVES NO PROSTRATION.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
