Our LETTER A. FAMILY SEWING MACHINE Our LETTER A. FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Embroidering, Carthering, Guaging, Biadding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with allkinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, en of the most ordinary capacity, can see, at a glance, how to use the letter A. Family Sewing Machine. Our Family Sewing Machines are finished in chaste free.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spa-cious and substantial table to sustain the work.— While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest man-ner possible, others are adorned and embelished in

the most costly and superb manners.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast bee ming as popular for family sewing as our manufacturing machines are for manufactur-

ing purposes

en notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue; to supply the public The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the TREASURY, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by Nation-

al Banking Associations now organizing in all parts of the country, will in a very short period, absorb the balance. Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenues' and in the issue of the Interest bearing Legal Tender Treasury notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, THE IN-TEREST AND PRINCIPAL OF WHICH ARE PAYABLE IN GOLD.

Prudence and self interest must force the minds of those contemplating the formation of national Banking Associations, as well as the minds of all who have idle money in their hands, to the prompt conclusion that they should loose no time in subscribing to this most popular loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for

at par.
IT IS A SIX PER CENT LOAN, the interest and Principal PABYALE IN COIN, thus yielding NINE PER CENT. PREMIUM. at the present

The Government requires all duties on imports to be paid in Coin; these duties have for a long time past, amounted to over a Quarter of a Million of dollars daily, a sum nearly three times greater than hat required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume

specie payments upon all liabilities. The Loan is called 5-20 from the fact that whilst the Funds may run for 20 years, yet the Government has a right to pay them off in Gold at par, at any

time after five years. The Interest is paid half-yearly, viz: first days of November and May.

Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$500, and \$1000; or Registered Bonds of same denominations, and in additon ,\$5,000 and \$10,000. For Banking purposes and for investments of Trust-moneys the Registered

Bonds are prefferable. These 5-20's cannot be taxed by States cities, towns or counties, and the Government tax on them is only one-and-a-half per cent., on the amount of income, when the income of the holder exceeds Six Hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent. tax on the income.

Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsaparelle, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sasaparllla, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known fa., of Gage, Murray & Co., manufacturers of chamelled papers in Nashaa, N. H.

"I had for several years a very troublesome hamor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparllla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as amybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparlilla."

supplied to the profession as well as to the people."

Fron. J. E. Johnston, Esq., Wakeman, Ohio.

For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so had that the cords became visible, and the doctors decided that my arm must be unaputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

Scald Head, Sore Eyes.

From Harvey Sickler, Esg., the able editor of the
Tunckhanneck Democrat, Pennsylvania.

"Our only child, about three vears of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing eise we had any hope from, we began giving your Sarsaparella. and applying the lodide of potast, lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's evelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitis disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence. Mass., who is a prominent member of the Legislature of Massachusetts.

DR. AYER — My dear Sir: I have found your SARSAPARILLA an excellent temedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerial alterative is required."

From the well-known and widely-celebrated Dr.

Jacob Morrill, of Cincinnati.

"I have found your SAFAPARILLA an excellent alterative in diseases of females. Many cases of irregularity. Leucorrhea, Internal Ulceration, and local debility, arising from the scrotitious diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

Mr. Chas. S. Van Liew, of New Brunswck, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayen's Sarsaparilla relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.
