**THE GREAT AMERICAN TEA COMPANY**

51 VESEY STREET, NEW YORK.

Since its origination, has created a new era in the history of Selling TEAS in this Country.

All our Teas are selected by a Professional Tea-taster, expressly and exclusively for us, and we never charge over two cents (2 Cents) per pound above cost for original packages.

We have put One Price to every one for each quality, and that price is always marked on each sample package at our store in plain figures.

We issue a Monthly Price List of our Teas, which will be sent free to all who order it—we advise every Tea Seller to see it. It comprises a full assortment selected for every locality in the States, Province, South America and the West Indies. In this list each kind is divided into Four Classes or qualities, namely: Cargo, High Cargo, Fine, Finest, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole tea trade.

We guarantee to sell all our Teas in original packages at not over Two Cents per pound above cost, believing this to be attractive to the many who have heretofore been paying enormous profits.

Our business is largely done on orders, which we always execute as well and promptly as though the buyer came himself giving true weights and tares, and always guaranteeing everything; our responsibility on all our promises. Every purchaser can order his tea direct from the Company, and parties doing business within Five Hundred (500) miles of New York, can return Tea bought of us if they are not cheaper than they can buy elsewhere, and the purchaser is discharged with his bargain, within fourteen days (14) and have the money refunded to them. Those who are over Five Hundred miles can have thirty days (30), and the same privilege extended to them.

Persons who order of the Company will pay their expenses both ways if the Teas are returned.
