Sales have lately ranged from ten to fifteen millions weekly, trequently exceeding three millions daily, and it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenues' and in the issue of the Interest bearing Legal Tender Treasury notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, THE IN-TEREST AND PRINCIPAL OF WHICH ARE

PAYABLE IN GOLD. Prudence and self interest must force the minds of those contemplating the formation of national Banking Associations, as well as the min is of all who have idle money in their hands, to the prompt conclusion that they should loose no time in subscribing to this most popular oan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for

So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume

SAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely chosen have of Gage, Murray & Co., manufacturers of enemelled papers in Nashua, N. H.

"I had for several years a very troublesome hamor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I aw without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

DR. AYER: I seldom fail to remove Eruptione and
Scrofulous Sores by the persevering use of your
SARSAPARILLA, and I have just now cured an stack of Malignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the selebrated physicians I could reach, and took hundred of dollars worth of medicines The ulcers were so had that the cords became visible, and the doctors decided that my arm must be amputated. Scald Head, Sore Eyes. Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Haring tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potask lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighberhood predicted that the child most die."

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your Sarbaparilla a more effectual remedy for the secondary symptoms of Syphilia, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass. who is a prominent member of the Legislature of Massachusetts.

"Dr. Ayer.—My dear Sir: I have found year Sarbaparilla an excellent remedy for Syphilic, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunstock, M. J., had dreadful ulcers on his legs, caused by the abase of mercury, or mercurial disease, which grew mers and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayer's Sarbaparilla relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bettes to cure him.

Leucorrhœa, Whites, Female Weakness,

Leucorrhœa, Whites, Female Weakness, are generally produced by internal Scroulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilled application of local regarding.

application of local remedies. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sarsafarilla an excellent
alterative in diseases of females Many cases of irregularity, Leucorrhœa, Internal Ulceration, and
local debility, arising from the scrotilous diatabets,
have yielded to it, and there are few that do not,
when itseffect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have heen cured of a very debilitating Leucorrhera of long standing, by two bottles of your SAESAPARILLA." Rheumatism, Gout. Liver Complaint, Dyspepsia Heart Disease, Neuralgia, when caused by Scrofula in the system, are repide? cured by this Ext. SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other pur-gatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been,

and that they may be depended on to do all that they have ever done.
