PARTICULAR NOTICE

There are many preparations sold under the name of Bitters, put up in quart Bottles, compounded of the cheapest whiskey or corn rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of a potent Stimulant of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitter, in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

HOOFLAND'S GERMAN BITTERS A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is all that is required to prove the assertion.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

At length not disposed to favor or recommend Patent Medicines in general, though distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily
