THE GREAT

AMERICAN TEA COMPANY

51 VESEY STREET, NEW YORK,

Since its origination, has created a new era in the history of

Selling TEAS in this Country.

All our Teas are selected by a Professional Teataster, expressly and exclusively for us, and we never charge over two cents (02 Cents) per pound above cost for original packages.

We have but One Price to every one for each quality, and that price is always marked on each sample package at our store in plain figures.

We issue a Monthly Price List of our Teas, which will be sent free to all who order it—we advise every Tea Seller to see it. It comprises a full assortment selected for every locality in the States, Provinces' South America and the West Indies. In this list each kind is dividedointo Four Classes or qualities, namely; Cargo, High Cargo, Fine, Finest, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole tea trade.

We guarantee to sell all our Teas in original packages at not over Two Cents per pound above cost, believing this to be attractive to the many who have heretofore been paying Enormous Profits.

Our business is largely done on orders, which we always execute as well and promptly as though the buyer came himself giving true weights and tares, and always guaranteeing everything; our responsibility enabling us to do all we promise. Every dealer can order his teas direct from the Company, and parties doing business within Five Hundred (500.) miles of New York, can Return Tea bought of us if they are not cheaper than they can buy elsewhere, and the purchaser is disatisfied with his bargain, within fourteen day(14.) and have the money refounded to them. Those who are over Five Hundred miles can have thirty days (30.), and the same privelege extended to them.

besides these advantages the Company will pay. rivExpenses both ways if the Teas are returned.

A REMEDY

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861. J. NEWTON BROWN.

DISEASES OF KIDNEYS AND BLADDER,

In Young or Aged, Male or Female,

Speedily removed, and the patient restored to health.

DELICATE CHILDREN,

Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN, STUDENTS,

And those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,

AND LEAVES NO PROSTRATION.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
