PARTICULAR NOTICE

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or rum on hand, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the coarsest kind, the desire for Liquor is created and kept up, and the result is the horrors attendant upon a drunkard's end of life.

For those who desire and will have a Liquid Bitter, see the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far exceed in medicinal virtues and true excellence any of the numerous Liquid Bitters in the market, and will cost much less than any other. Beware of cheap Bitters. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.
