Every chapter of the work is as keen in the delineation of character as the edge of a heffield razor. The book will create DR. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Al hough not disposed to favor or recommend Pat-All hough not disposed to favor of recommend Pat-ent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple

preparation, in the hope that he may thus contribute I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an aicoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the results of these Bitters, at the beginning of the pr sent year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.
