THE SINGER SEWING MACHINES.

Our LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A Family Sewing Machine—Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manners.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming so popular for family sewing as our manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality.

Send for a PAMPHLET.

THE PECULIAR TAIN OF SCROFULA

is the result of the constitutions of multitudes of men. It either produces or is produced by an unfeebled, vitiated state of the blood, which contains that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children, unto the third and fourth generation;" or, it seems to be the result of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcersous sores; in the stomach and bowels, dyspepsia, and liver complaints; on the skin, eruptions and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or scorbutic blood, you cannot have health; with that "life of the flesh," healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does complete virtues, truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publickly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blistches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposit in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cures are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of his benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease, and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Ayer's Sarsaparilla. Although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. It is a powerful virus that stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promise much and delude few; but they will neither be deceived nor disappointed in this. Its virtue have been proved by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the Relief of Consumptive patients in advanced stages of the disease.

This has been so long used, and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by all druggists everywhere.
S. Stark, Tunkhannock; T. D. Spring, Lauryville; Harding & Co., Nicholson; E. J. Frear, Factoryville, and by dealers in Medicine everywhere.
