Our LETTER A. FAMILY SEWING MACHINE Our LETTER A, FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Heuming, Budding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in acreliable, and most durable, and most certain in ac-tion at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A. Family Sewing Machine.

Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spa-cious and substantial table to sustain the work.— While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest man-ner possible, others are adorned and embelished in

the most costly and superb manners.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast bee ming as popular for family sewing as our manufacturing machines are for manufactur-

ing purposes

From Harvey Siekler, Esg., the able editor of the Tunckharvock Democrat, Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any sparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potask lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

are generally produced by internal Scrofulous Ulcer ation, and are very often cured by the alterative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sarsaparilla an excellent alterative in diseases of fernales. Many cases of firregularity, Leucorrhea, Internal Ulceration, and local debility, arising from the scroftlous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of I enjoy perfect health, and withent a doubt owe it to your SARSAPARILLA."

Dr. Ayre.: I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsaparallla, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people."

Fron. J. E. Johnston, Esg., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so had that the cords became visible, and the doctors decided that my arm must be amputated. I began, taking your Sarsaparilla. Took two bottles, and some of your Fills. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilite, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. Ayer.—My dear Sir: I have found your Sarsafarilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunsweck, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayer's Sansaparilla relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.
