**Ayer's Sarsaparilla**  
 THE WORLD'S GREAT REMEDY  
**SCORFULA AND SCORFULOUS DISEASES.**  
 From Emory's Medical Repository, a medical journal of Lowell, Maine.  
 "I have sold large quantities of your Sarsaparilla, but never such large quantities of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine so successful in curing Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin."  
 From Rev. Robt. Stratton, Bristol, England.  
 "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an itching humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months."  
 From Mrs. Jane E. Rice, a well known and much esteemed lady of Danversville, Cape May Co., N. J.  
 "I had the several years' very troublesome humor in my face, which grew constantly worse until it defiled my features and became an intolerable affliction. I had tried every medicine, both of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face white, and the doctor might for a time; but in a few weeks the skin began to form under the blotches, and continued until my face was as smooth as ever. I have since without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."  
**Erysipelas—General Debility—Purify the Blood.**  
 From Dr. Robt. Savin, Houston, St., N. Y.  
 DR. AYER: I seldom fail to remove Eruptions and Scrofulous sores by the persevering use of your Sarsaparilla, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals it, and I have never seen it supplied to the profession as well as to the people."  
 From J. E. Johnston, Esq., Wokeman, Ohio.  
 "For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that the cords became very thick, and the doctor decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and found that the cords were getting thinner, and I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and enables the friends of all to see the efficacy of your Sarsaparilla."  
 From Hon. Henry Moore, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament.  
 "I have used your Sarsaparilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."  
**St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Scrofulous Eruptions.**  
 From Harvey Siskler, Esq., the able editor of the Pennsylvania Medical Journal, Philadelphia.  
 "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a crust over his forehead, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver, and other caustic remedies, but without effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his face. Having tried every thing else we had any hope from, we began giving your Sarsaparilla, and applying the liniment of potassium, and in a few days the scabs began to fall when we had given the first bottle, and was well when we had finished the second. The child's eyes have since been perfectly restored, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."  
**Syphilis and Mercurial Disease.**  
 From Dr. Henry Stott, of St. Louis, Missouri.  
 "I find your Sarsaparilla a more efficient remedy for the secondary symptoms of Syphilis, and for syphilitic diseases than any other I possess. The profession are indebted to you for some of the best medicines we have."  
 From A. J. French, M. D., an eminent physician of Lawrence, Mass., a former member of the Legislature of Massachusetts.  
 "DR. AYER: My dear Sir: I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know of any other remedy with more certainty of success, where a powerful alternative is required."  
 From Chas. S. Von Loe, of New Brunswick, N. J., and a successful dealer in the city of New York.  
 "I had dreadful ulcers of the throat caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that I could procure. The persevering use of AYER'S SARSAPARILLA relieved me. Few cases can be found more inveterate and distressing than mine, and it took several dozen bottles to cure him."  
**Leucorrhoea, Whites, Female Weakness,**  
 are generally produced by internal scrofulous Ulceration, and are very often cured by the alternative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skillful application of local remedies.  
 From the well-known and widely-celebrated Dr. Jacob Merrill, of Providence, R. I.  
 "I have found your Sarsaparilla an excellent alternative in diseases of females. Many cases of irregularity, Leucorrhoea, Intermenstruation, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly followed by local treatment."  
 A lady unwilling to allow the publication of her name, writes:  
 "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your Sarsaparilla."  
**Rheumatism, Gout, Liver Complaint, Dyspepsia, Headache, Dropsy, &c.,** are rapidly cured when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.  
**AYER'S CATHARTIC PILLS**  
 possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.  
 Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by  
 S. CROWN, Apothecary; I. D. Spring, Leesville; Harding & Co., Nicholson; B. & J. Frear, Factoryville, and by dealers in Medicines everywhere.
