preparation, in the lope that he may thus contribute to the benefit of others. " I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M Jackson, of thus city, because I was prejudiced aga ast them for many years, under the impression that they wore chiefly an alcoholic mixture: I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long con-tinued debility. The use of three bottles of these Bitters, at the beginning of the pr sont year, was followed by evident relief, and restoration tos de-gree of bodily and mental vigor which I had not felt for six months before, and had almost. despaired of regaining. I therefore thank God and my friend for directing me to the use of them.
