to the benefit of others.

I do this the more readily in regard to Hoofiand's German Bitters, prepared by Dr. C. M Jackson, of this city, because I was prejudiced against them for many years, inder the impression that they were chiefly an aicoholic mixture. I am indebted to my friend Robert Shoemaker, Eq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long tentioned debility. The use of three bottles of these Bitters, at the beginning of the pr sent year, was followed by evident relief, and rectoration to a degree of bodily and mental visor which I had sat fait gree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining.
