OPEN TO ALL THE WORLD.

THE THIRD ANNUAL FAIR

OF THE

GLENWOOD PA, AGRICULTURAL SOCIETY

FOR THE YEAR 1864, WILL BE HELD ON

TUESDAY, WEDNESDAY AND THURSDAY

Sept. 6, 7, and 8, 1864,

ON THE GROUNDS OF

Osterhout & Eaton, Glenwood, Susq. Co. Pa.

Organization and Object of the Society.

The Glenwood Agricultural Society was organized October 18th, 1861, on a different plan from all other Agricultural Societies in the United States. This Society does not confine its exhibitors to the narrow limits of Town, County, State, nor United States, but opens it to the World. This is the third year of its exhibition, and, judging from the success of the past, we expect a great crowd this year, for we have added very largely to our premiums, and shall spare no pains in making everything as attractive as possible. As to the Fair Ground and Track, they are too well known to need comment. The Society tenders its thanks to its last year's visitors, and pledge themselves to do everything in their power to make this more attractive than last year, for we believe in improvement. We refer you to our Premium List and Rules and Regulations for further information.

Our exhibition this year, will be Tuesday, Wednesday and Thursday, September 6th, 7th, and 8th, 1864, at the Fair Grounds, on the premises of Osterhout & Eaton, Glenwood, Susquehanna County, Pennsylvania, and we cordially invite one and all to make us a visit.

F. P. GROW, PRESIDENT.
A. D. KING, Corresponding Secretary

WHAT EVERYBODY KNOWS, viz.—

That Iron well galvanized *will not rust*;

That a *simple* machine is better than a complicated one.

That a Wringer should be *self-adusting, durable, and efficient.*

That *Thumb Screws* and *Fastenings* cause *delay* and *trouble* to regulate and keep in order;

That wood soaked in hot water *will swell, shrink and split*;

The wood bearings for the shaft to run in *will wear out*;

That the Putman Wringer, with or without cog-wheels, will *not tear the clothes*;

That cog-wheel regulators are not essential;

That the Putnam Wringer has *all* the advantages and *not one* of the disadvantages above named;

That all who have tested it, pronounce it the *best* Wringer ever made;

That it will wring a *Thread* or a *Bed-Quilt* WITH OUT ALTERATION.

We might fill the papar with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, *test* Putnam's Wringer Test it THOROUGHLY with ANY and ALL others, any if not entirely satisfactory, return it.

Putnam Manufacturing Co:

GENTLEMEN; *I know from practical experience that iron well galvanize with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recomend it to be best in use.* Respectfully yours.

We have tested Putnam's Clothes Wringer by practical working, and know that it will *do*. It is cheap; it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it sames time and it saves wear and tear. We earnestly advise all who have *much* washing to do, with all intelligent persons who have *any*, to buy this Wringer. It will pay for itself in a year at most.

PARTICULA NOTICE

There are many preparations sold under the name of Bitters, put up in quart Bottles, compounded of the cheapest whiskey or comm on rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get **One Bottle Hoofland's German Bitters** *and mix with* **Three Quarts of Good Brandy or Whiskey,** *and the result will be a preparation that will* **far excel** *in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will* **cost much less.** *You will have all the virtues of* **Hoofland's Bitters** *in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.*

That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861. J. NEWTON BROWN

DISEASES OF KIDNEYS AND BLADDER,

In Young or Aged, Male or Female,

Speedily removed, and the patient restored to health

DELICATE CHILDREN,

Those suffering from **MARASMUS,** wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

PARENS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN, STUDENTS,

And those working hard with their brains, should always keep a bottle of **Hoofland's Bitters** near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,

AND LEAVES NO PROSTRATION.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
