Also, that in the fourth section of the Act of Assembly, entitled "An Act relating to executions, and for other purposes" approved April 16, 1840, it is enacted that the said 13th section "shall not be so construed as to prevent any militia officer or borough officer from serving as judge, inspector or clerk at any general or special election in this Commonwealth.

The general, special, city, incorporated district and township elections shall be held and conducted by the inspectors and judges elected as aforesaid, and by clerks appointed as hereinafter provided.

No person shall be permitted to vote at any election, as aforesaid, but a white freeman of the age of twenty-one years or more, who shall have resided in the State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election But a citizen of the United State who has previously been a qualified voter of this State, and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months: PROVIDED, That the white freemen citizens of the United States between the ages of 21 and 22 years, and have resided in the election district ten days, as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"No person shall be admitted to vote whose name is not contained in the list of taxable inhabitants furnished by the commissioners, unless: First, he produces a receipt for the payment within two years of a State or county tax, assessed agreeably to the constitution, and give satisfactory evidence on his own oath or affirmation, or the oath or affirmation of another, that he has paid such a tax, or on failure to produce a receipt, shall make oath of the payment thereof, or, Second, if he claim a vote by being an elector between the ages of 21 and 22 years, he shall depose an oath of affirmation that he has resided in the State at least one year before his application, and make such proof of his residence in the district as is required by this act, and that he does verily believe from the accounts given him that he is of the age aforesaid, and give such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspectors, and a note made opposite thereto by writing the word "tax" if he shall be admitted to vote by reason of having paid tax, or the word "age" if he shall be admitted to vote by reason of such age, and shall be called out to the clerks, who shall make the like notes in the list of voters kept by them,

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners and assessors, or his right to vote, whether found thereon or not is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath will be sufficient proof thereof, but shall make proof by at least one competent witness, who shall be a qualified elector that he has resided within the district for more than ten days next immediately preceeding said election, and shall also himself swear that his bona fide residence in pursuance of his lawful calling is within the district, and that he did not remove into said district for the purpose of voting therein.

"Every person qualified as aforesaid, and who shall make due proof, as is required, of his residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent, or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window or avenue to any window or avenue where the same may be holding, or shall riotiously disturb the peace of such election, or shall use or practice intimidating threats, force or violence, with a design to influence unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such a person on conviction shall be fined in any sum not exceeding five hundred dollars, and imprisoned for any time not less than one month or more than twelve months, and if it shall be shown to the Court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district, or township where the said offence was committed, and not entitled to vote therein, then, on conviction, he shall be sentenced to pay a fine of not less than one hundred dollars or more than one thousand dollars, and be imprisoned not less than six months or more than two years.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of election, then the person who shall have received the next highest number of votes for judge at the next spring election, shall be inspector in his place. And in case the person who shall have received highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place, or if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which said officer shall have been elected, present at the place of election, shall select one of their number to fill such vacancy

It shall be the duty of the several assessors, respectively, to attend at the place of holding every general, special or township election during the time said election is kept open, for the purpose of giving information to the inspectors and judges when called on in relation to the right of any person assessed by them to vote at such elections, or such other matters in relation to the assessment of voters as the said inspectors, or either of them shall from time to time require.

Pursuant to the provisions contained in the 76th section of the act first aforesaid, the judges of the aforesaid districts shall, respectively take charge of the certificate or return of the election of their respective districts and produce them at the meeting of one judge from each district at the borough of Tunkhannock, on the third day after the day of the election, being for the present year on FRIDAY, the 14th day of OCTOBER prox., then and there to do and perform the duties required by them by law of said judges.

Also that where a judge by sickness or unavoidable accident is unable to attend such meeting of judges, then the certificate or return aforesaid shall be taken charge of by one of the inspectors or clerk of the election of said district, who shall do and perform the duties required of said judges unable to attend.

Given under my hand in my office at Tunkhannock the 21st day of September, A. D. 1864.

WHAT EVERYBODY KNOWS, viz.—

That Iron well galvanised *will not rust;*

That a *simple* machine is better than a complicated one.

That a Wringer should be *self-adusting, durable, and efficient.*

That *Thumb Screws* and *Fastenings* cause *delay* and *trouble* to regulate and keep in order;

That wood soaked in hot water *will swell, shrink and split;*

The wood bearings for the shaft to run in *will wear out;*

That the Putman Wringer, with or without cog-wheels, will *not tear the clothes;*

That cog-wheel regulators are not essential;

That the Putnam Wringer has *all* the advantages, and *not one* of the disadvantages above named;

That all who have tested it, pronounce it the *best* Wringer ever made;

That it will wring a *Thread* or a *Bed-Quilt* WITH OUT ALTERATION.

We might fill the papar with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, *test* Putnam's Wringer Test it THOROUGHLY with ANY and ALL others, any if not entirely satisfactory, return it.

Putnam Manufacturing Co:

GENTLEMEN; *I know from practical experience that iron well galvanize with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recomend it to be best in use.* Respectfully yours.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C M Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

We call attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

An Independent Democratic Daily, Semi-Weekly and Weekly Newspaper.

UNION OF THE WORLD AND ARGUS.

THE WORLD, to which the New York *Weekly Argus* has been united, has to-day five times the aggregate circulation of any Democratic or conservative newspaper, It addresses weekly alone more than **100,000** subscribers and constant purchasers, and reaches at least *half a million* readers.—With the steady increase in circulation which it now enjoys, these numbers will soon be doubled. Nothing less than this should satisfy those who believe that the only hope of restoring the Union and the authority of the Constitution over a now distracted and divided country, lies in wresting power from the hands of those whose fanaticism has helped to provoke, invite and prolong the war; and that to accomplish this end, no means is so effective as the diffusion, through able and enterprising newspapers, of sound political knowledge among the working men, the thinking men, and the voting men of the North.

Enterprise, industry and money will be liberally expended to make THE WORLD the BEST NEWSPAPER IN AMERICA. Its news from every part of the world will be early and authentic. Wherever the telegraph extends, or railroads run, or steamboats ply, it will gather the latest intelligence It has a large staff of accomplished correspondents with all the federal armies, who will telegraph and write to us the latest news from the various seats of war. It has correspondents and reporters in every political and commercial centre in America and Europe, whose letters and dispatches will leave nothing worthy a note unknown to its readers

THE MARKET REPORTS of the WORLD are more complete than those of any other newspaper. The Editors invite comparison in this respect and point to the Cattle Markets, the general and country Produce Markets, and the Money Market in its columns, as proof of excellence in this respect. The WORLD has also a special department devoted to Agriculture, filled with editorial articles, communications from practical farmers, and selected matter, making a valuable and useful paper for Farmers and Mechanics of the country.

The war in which the nation is engaged against armed and infatuated Rebels, and the radical policy of the administration which prolongs it, have conspired to bring together upon one platform all conservative, Union-loving and Constitution-loving men, of whatever former name or creed Many of those who, within the limits of the Constitution, fought the battles of the ballot box under the leadership of those patriotic statesmen of other and better days, Henry Clay and Daniel Webster, together with the masses whose principles were those of such patriots as Andrew Jackson and William L. Marcy, Silas Wright and Stephen A. Douglas, now stand shoulder to shoulder upon the same platform and under the same banner The platform is a plain one. It is to *restore the Union, maintain the Constitution, and enforce the Laws.* Whatever makes for this end, the exercise of force or the policy of conciliation, THE WORLD will advocate; whatever makes against it, THE WORLD will oppose.

It will oppose every enemy to THE UNION, whether armed in rebellion at the South or insidiously planting the seeds of disunion and essential disloyalty at the North.

It will oppose every violation of THE CONSTITUTION, which is the only hope and bond of Union, and our only authority for exhorting or compelling the allegiance of the South.

It will oppose every infraction of THE LAW, in high places or in low, by reckless and misguided partizans, or by the administration which has been their example.

It will fearlessly exercise the *Freedom of the Press;* it will constantly uphold and defend *Freedom of Speech* and *Freedom of the Ballot.*

To the lawless acts of the Administration, its arbitrary arrests and expatriations, its denial of the right to the writ of *habeas corpus*, its illegal proclamations, its abrogation of State and federal laws, its despotic accumulations of ungranted power, and its subversions of the safeguards of *civil and personal liberty*, it will constantly uphold the letter and the spirit of our supreme law and the advocacy of sound doctrine, until American freemen shall be roused to the recovery of their rights, their liberties their laws, and their limited and well-balanced government, by the resistless decision of the ballot.

Profoundly impressed with the desire to contribute all that it may to the great work of this generation, namely to restore our national unity, and to place the United States again foremost among the nations of the earth, and first in the peace, prosperity and happiness of its people—THE WORLD seeks from those who desire such things their sympathy and support, and, above all, the favor Him who crowns every good work.
