AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produce cures too numerous and too remarkable to be forgotten.

Those who require an *alterative medicine* to purify the blood will find AYER'S COMPEXT SARSAPARILLA the remedy to use. Try it once, and you will know its value.

Prepared by J. C. AYER & CO., Lowell Mass. and sold by Sam'l. Stark Tunkhannock, and all dealers in medicine everywhere.
