AYER'S CHERRY PECTORAL.

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

Scarcely a day of its usefulness and so numerous are the testimonials, that almost every section of country abounds in persons publicly known who have been cured from alarming and even desponding diseases of the lungs by its use. When once tried, its superiority over every other expectorant is apparent to every observant, and where its virtues are known, the public no longer hesitate what medicine to employ for the distressing and dangerous affections of the pulmonary organs that are so common in our climate. While many inferior preparations have been offered, and some of them have been discarded, this has gained friends by every trial, and its beneficial effects upon the afflicted they can never forget, and produce cures too numerous and too remarkable to be forgotten.

Those who require an efficient medicine to purify the blood will find AYER'S COMP. EXTERNAL PARILLA the remedy to use. Try it once, and you will know its value.

Prepared by J. C. AYER & CO., Lowell, Mass. and sold by Dr. J. C. Stone, Tunkhannock, and all Dealers in medicine everywhere.
