THE SINGER SEWING MACHINES.
Our LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Folding, Making, Gathering, Gearing, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of threads. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.
The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be opened may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and choicest manner possible, others are adorned and embellished in the most costly and superb manner.
It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.
It is fast becoming as popular for family sewing as our manufacturing machines are for manufacturing purposes.
The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality.

Such is the irresistible tendency of the medicine to restore the several functions to normal condition, that even the productive power of nature cannot resist it. THEY CAN'T DO HARM IN ANY WAY.
