Manhood: how lost, how restored.

Just published a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, EPITHEMIA, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents. The celebrated author in this admirable essay clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every young man and every man in a family. Sent, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or five paid stamps. Address the publishers,
