

calamity has befallen the nation. At the moment of his greatest usefulness, he was stricken down by the hand of an assassin. The lenient and conciliatory policy which he was pursuing, and evidently intended to pursue, towards those who had been in rebellion against the Government, was truly magnanimous and well calculated to restore peace and harmony and again unite us, as one people.

Headache, or Bilious Headache,
and Bilious Fevers, indeed for
the whole class of diseases originating

the Malaria of miasmatic countries.

FEVER and Ague is not only the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, in malarious districts among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrhs Asthma, Palpitation, Painful Affection of the Spleen, Hysteria, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach all of which, when originating in this "Gout," and oblige the patient to use a medicine that will cure it as healthily as any other cure for Chills and Fever? It is true of this, and its importance to those afflicted with the complaint cannot be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. Manhood: how lost, how restored.

Just published, a new edition of Dr. Culverwell's celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or seminal weakness, Involutionary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc; also, CONSUMPTION, EPILEPSY, and FEVER, induced by self-indulgence or sexual excess.

Price, in a sealed envelope, only 6 cents. The celebrated author in this admirable essay clearly demonstrates from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife:—the condition referred to is PREVENABLE, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land.
Sent, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two post stamps. Address the publishers:

DR. J. C. BECKER,

U. S 7-30 LOAN.
By authority of the Secretary of the Treasury, the undersigned has assumed the General Subscription Agency for the sale of United States Treasury Notes bearing seven and three tenths per cent. interest, per annum, known as the

SEVEN-THIRTY LOAN.
These Notes are issued under date of August 15th, 1864 and are payable three years from that time, in currency or are convertible at the option of the holder into

U. S. 5-20 Six per cent. GOLD-BEARING BONDS

These bonds are now worth a premium of nine per cent, including gold interest from Nov, which makes the actual profit on the 7-30 loan, at current rates, including interest, about ten per cent per annum, besides its exemption from State and municipal taxation, which adds from one, to three per cent, more according to the rate levied on other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sent to any bank or banker.

The interest amounts to
One cent per day on a \$50 note,
Two cents " " " \$100 "

Ten " " " \$500 "

Twenty " " " \$1000 "

\$1 " " " \$5000 "

Notes of all denominations named will be promptly furnished upon receipt of subscriptions.—This is

THE ONLY LOAN IN MARKET
now offered by the Government; and it is confidently expected that its superior advantages will make it the

GREAT POPULAR LOAN OF THE PEOPLE.

Less than \$200,000,000 remain unsold, which will probably be disposed of within the next 60 or 90 days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE,
Subscription Agent, Philadelphia.

SUBSCRIPTIONS WILL BE RECEIVED BY THE First and Second National Banks at Scranton, Wilkes Barre and Towanda.

THE NINTH NATIONAL BANK
