**Ayer's Agree Cure,**

FOR THE SUPPRESSION OF  
Intermittent Fever, or Feer and  
Ague, Remittent Fever, Chill  
Fever, Omb Ague, Periodical  
Headache, or Bilious Headache,  
and Bilious Fevers, indeed for the  
whole class of diseases originating  
in biliary derangement, caused by  
the Malaria of miasmatic countries.

FEVER and Ague is not the only consequence of the miasmatic poison. A great variety of disorders arise from its irritation in malarious districts, among which are, Neurosis, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrhs Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach all of which, when originating in this "Cause," and all the poison from the blood, and thus cure them all alike.

It is not only the most effectual remedy ever discovered for this class of complaints, but it is the cheapest and moreover is perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had never had the disease. Can this be said of any other cure for Chills and Fever? It is true of this and its importance to those afflicted with the complaint cannot be over-estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. One dealer complains that it is not a good medicine to sell, because one bottle cures a whole neighborhood.

Prepared by J. C. AYER & CO., Lowell Mass and sold by Saml. Stark Tunkhannock, and all dealers in medicine everywhere.

Manhood! how lost, how restored.

Just published a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or seminal Weakness, Involuntary Seminal Losses, Impotency, Mental or Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, EPILEPSY, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents. The celebrated author in this admirable essay clearly demonstrates from a thirty years' successful practice that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every young and vigorous man in the land. It is sent, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two post stamps. Address the publishers,

## U. S. 7-30 LOAN.

By authority of the Secretary of the Treasury, the undersigned has assumed the General Subscription Agency for the sale of United States Treasury Notes bearing seven and three tenths per cent. interest, per annum, maturing as follows:

These bonds are now worth a premium of nine per cent, including gold interest from Nov., which makes the actual profit on the 7-30 loan, at current rates, including interest, about ten per cent. per annum, besides its exemption from State and municipal taxation, which adds from one, to three per cent, more, according to the rate levied on other property. The notes are payable semi-annually by coupons attached to each note, which may be cut off and sent to any bank or banker.

The interest amounts to

**GREAT POPULAR LOAN OF THE PEOPLE.**

Less than \$200,000,000 remain unsold, which will probably be disposed of within the next 60 or 90 days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens
