

AND HAND TO YOUR NEIGHBOR. PROSPECTUS OF THE PHILADELPHIA AGE 1865.

THE ONLY DEMOCRATIC DAILY MORNING JOURNAL PUBLISHED IN PHILADELPHIA.

The Union, The Constitution, AND THE Enforcement of the Laws.

The Publishers of THE PHILADELPHIA AGE invite the earnest attention of business men, thinking men, literary men, and all who are interested in the various occupations and pursuits of life, to the DAILY and WEEKLY editions of their Journal.

THE PHILADELPHIA DAILY AGE,

Which advocates the principles and policy of the Democratic party, is issued every morning, (Sundays excepted), and contains the latest intelligence from all parts of the world; with carefully prepared articles on Government, Politics, Trade, Finance, and all the current questions and affairs of the day; Local Intelligence, Market Reports, Prices Current, Stock Quotations, Marine and Commercial Intelligence, Reports of Public Gatherings, Foreign and Domestic Correspondence, Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literature, Art and Music, Agricultural Matters; and discussions of whatever subject is of general interest and importance.

No event of any importance occurs in any part of the country without being fully and promptly telegraphed to and published promptly in its columns. It has all the despatches of the Associated Press from every part of the United States, and the news from all parts of Europe brought by the steamers is instantly telegraphed, from whatever point the steamer first touches.

TERMS.—Ten Dollars, per annum, for a single copy; Five Dollars, for six months, Two Dollars and Fifty Cents, for three months; and for any less time, at the rate of One Dollar per month. Payment required invariably in advance.

THE PHILADELPHIA WEEKLY AGE,

Is a complete compendium of the NEWS OF THE WEEK, and contains the Brief Editorials, the Prices Current and Market Reports, Stock Quotations, Intelligence for Farmers, Correspondence, and General News Matter published in the DAILY AGE. It also contains a great variety of other literary and miscellaneous matter, including Tales, Sketches, Biography, Fables, and Poetry, rendering it in all respects a FIRST CLASS FAMILY JOURNAL, particularly adapted to the Politician, the Merchant, the Farmer, the Mechanic, the Literary man, and all classes of readers. It has, in fact, every characteristic of a LIVE NEWSPAPER fitted for the Counting House, the Workshop, the Fire-side, and the General Reader.

The Weekly Age is mailed in season to reach all parts of Pennsylvania, New Jersey, Delaware, and Maryland, on or before Saturday of each week.

TERMS.—Two Dollars per annum for a single copy; One Dollar for six months, and Sixty Cents for three months. One copy gratis will be sent for one year to the person forwarding twenty yearly subscribers paid in advance. No paper will be sent until the subscriptions is paid.

TO ADVERTISERS.

The circulation of the PHILADELPHIA AGE, which is steadily and rapidly growing, makes it at least as valuable a medium for advertising as any other commercial and business newspaper in Philadelphia, and the fact that it reaches a large class of consumers scattered over a vast extent of country, who do not take any other Philadelphia paper, commends it to an extraordinary degree, as a means of communicating with the public not possessed by any other journal published in this city.

THE AGE IS NOW ESTABLISHED ON A PERMANENT FOUNDATION. The Publishers could easily fill their columns with the unnumbered and most liberal commendations of the press throughout the country; but they prefer that it should stand altogether upon claims to public confidence well known and established. It will be, as heretofore, the supporter of true National, Conservative, Democratic, and Republican principles, opposed alike to radicalism and fanaticism in every form, and devoted to the maintenance of Good Government, Law, and Order. The views of all the business relations of the country, consequent upon the suppression of the rebellion and the restoration of peace, will enable the Publishers to make a number of improvements in the various departments of this journal, and they, therefore, respectfully solicit the support of all who wish to secure one of the best Commercial, Literary, Business and Family newspapers in the country.

NOW IS THE TIME TO SUBSCRIBE.

U. S 7-30 LOAN.

The sale of the first series of \$300,000,000 of the 7-30 Loan was completed on 31st of March, 1865. The sale of the second series of Three Hundred Millions, payable three years from the 15th day of June, 1865, was begun on the 1st of April.—In the short space of thirty days, over One Hundred Millions of this series have been sold—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency on the 15th of December and 15th of June by Coupons attached to each note, which are readily cashed anywhere. It amounts to

One cent per day on a \$100 note, Two cents " " " \$500 " Ten " " " \$500 " 20 " " " \$1000 " 30 " " " \$5000 "

More and More Desirable.

The Rebellion is suppressed, and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser.

This is the ONLY LOAN IN MARKET now offered by the Government, and constitutes the GREAT POPULAR LOAN OF THE PEOPLE.

The Seven-Thirty Notes are convertible on their maturity, at the option of the holder, into U. S. 6-30 SIX PER CENT.

GOLD-BEARING BONDS Which are always worth a premium. Free from Taxation.

The 7-30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless the owner's income exceeds six hundred dollars a year. This fact increases their value from one to three per cent, per annum, according to the rate levied on other property.

Subscribe Quickly. Less than \$200,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans. It now seems probable that no considerable amount beyond the present series will be offered to the public.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE, Subscription Agent, Philadelphia.

SUBSCRIPTIONS WILL BE RECEIVED by the Wyoming National Bank at Tunkhannock; at the Second National Bank at Scranton, Wilkes-Barre, Towanda and Pittston.

THE NINTH NATIONAL BANK OF THE CITY OF NEW YORK.

CAPITAL, \$1,000,000, PAID IN, FISCAL AGENT OF THE UNITED STATES, AND SPECIAL AGENT FOR JAY COOKE'S SUBSCRIPTION AGENT.

Will deliver 7-30 Notes, Free of charge, by express, in all parts of the country, and receive in payment Checks on New York, Philadelphia, and Boston, current bills, and all five per cent. interest notes, with interest to date of subscription. Orders sent by mail will be promptly filled.

This Bank receives the accounts of Bank and Bankers on favorable terms; also of individuals keeping New York accounts.

Ayer's Ague Cure,

FOR THE SPEEDY CURE OF Remittent Fever, or Feer and Ague, Remittent Fever, Chill Fever, Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in bilious derangement, caused by the Malaria of miasmatic countries.

FEVER and Ague is not the only consequence of the miasmatic poison. A great variety of disorders arise from its irritation, in malarious districts among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Barache, Catarrhs, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Cystitis, Paralysis, and Derangement of the various organs of the body, when originating in this "ague" (malaria) the poison from the blood, and thence from all ailments it is not only the most effectual remedy ever discovered for this class of complaints, but it is the cheap and most powerful perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had never had the disease. Can this be said of any other cure for Chills and Fever? It is true of this, and its importance to those afflicted with this complaint cannot be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. One Dealer complains that it is not a good medicine to sell, because one bottle cures a whole neighborhood.

Prepared by J. C. AYER & CO., Lowell, Mass and sold by Saml. Stark Tunkhannock, and all dealers in medicine everywhere.
