A ludicrous incident occurred at "Woodlawn," on the Bloomingdale road. Jones H stel of that place is ornamented with a hostler whose fun is as fearless as his face is ugly. One day in January, while twenty or thirty fast gentlemen were standing on the front balcony of the hotel, an individual rode up the path on the thinnest horse mortal eyes ever looked upon. Leaping from his phantom steed, the equestrian said, turning to the hostler-

"Here, John, give my horse some water." "Sir ?" said John, with a look of astonishment.

"Give my horse some water! thundered the stranger.

"Your horse ! ejaculated John, with more

"Yes, you fool, my horse !" said the stranger, looking savagely at him and commenced drawing the lash of his whip through his .... 12,10 \*Manunka Chunk... 1.55 ....

hand.

John walked toward him as though he would demand an explanation and had taken about six steps when he suddenly stopped like one surprised beyond expression. "Bless my soul," said he, "I ask your par don, sir; but your animal stood on a line with that ere hitchen post, and I didn't see

The owner of the spectral beast tried to frown, but a roar from the balcony made him change his mind.

A SHARP RETORT .- The La Crosse Democrat is responsible for the following good thing:

At one of the hotels in our city, the landlerd said to a border :

"See here, Mr .- , the chambermaid found a hair pin in your bed this morning.and it will not answer."

"Well," said the boarder, "I found a hair in the butter this morning, but it did not prove you had a woman ir it."

The two men looked at each other for about ten seconde, when each smiled and went his way, no doubt pondering on the pecularities of circumstantial evidence.

A PRACTICAL IRISHMAN .- One of the city colporteurs of Cincinnati some time ago when engaged in distr buting traces among the poor benighted ones about the town, met with an amusing incident. Coming to an incolated building of humble pretensions, he opened the door without the ceremony of knocking, saying :

"Will you accept a tract of the Holy Land ?" meaning the four pages of a letter press he had in his hand. The man of the house instantly replied :

"Yes, be jabers ; a whole session, If you give a good title; but I'd like to know if thore be much fever'n ague there to bother a poor devil?" The colporteur retreated.

#### QUIDDITIES.

A polite philosopher once thanked a lady who had been singing to a party for an hour, by saying, "Madam, you have waisted our time most charmingiy !"

An English paper advestises "a piano for sale by a lady about to cross the Channel in in oak case with carved legs.

The most disagreeable two legged animal known, is a little great man, and the next, a little great man's factorum and friend.

Mr Moore, who derived his pedigree from Nosh, explained it in this manner; "Nosh had three sone, Shem, Ham, and one more."

If you would find a great many faults, be on the look out. If you would them in still greater abundance, be on the look in. A barnacle nosed old fellow gave as a

resson for taking his liquor clear, that since the flood, water had always tasted of sinners. Figuratively speaking, a woman may be said to XL when she is forty,

The price of eggs is high, but the heas must have an on nest living.

The seriousness of a young girl is rarely so innocent as her fun.

"The newest thing in crinolines," says a Paris letter, "is the substitution of silver for

A marriage is thus noticed by one of our entemporaries :- "Married, lasr week, John Cobb to Miss Kate Webb" Look out for the fittle spidere,"

As exceedingly modest young lady desiring a leg of a chicken at the table said, I'll take the part that ought to be dressed in drawers. A nice young gentleman who sat opposite immediately said, I'll take the part that ought to ware the bustle.

### THE SINGER SERING MACHINES

Our LETTER A. FAMILY SEWING MACHINE s fast gaining a world-wide reputation. It is beyond doubt the best and -beapest and most beautiful
of all F-mil; Sewing Machines yet offered to the
public. No other Family Sewing Machine has so
many useful appliances for Hemming, Binding, Fell-MOVE SOUTHWARD ing, Tucking, Gathering, Guaging, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work It will sex all finds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in ac-tion at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A. Family Sewing Machine. —
Our Family Sewing Machines are finished in chaste and exquisite style

Folding Case of the Family Machine is piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spa-cious and substantial table to sustain the work.— While some of the Cases, made out of the cho woods, are finished in the simplest and chastest man-ner possible, others are adorned and embelished in the most costly and superb manners.

It is absolutely necessary to see the Family Main operation, so as to judge of its great capacity and beauty.

It is fast bee ming as popular for family sewing as our manufacturing machines are for manufacturing

ing purposes
The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best qual-

ity.
