NICHOLSON, Pa, 1865

An Elegant Novelty in Watches.

The cases of this watch are an entirely new intion, composed of six different metals combined rolled together an I planished, producing an exact imitation of 18 carat goldl called Arcana, which will always keep its color. They are as beautiful as solid gold, and are afforded at one-eighth the cost The case is beautifully designed with Panel and shield fo name, with Patent Push Pin, and engraved in the exact style of the celebrated Gold Hunting Levers, and are really handsome and desirable, and se exact an imitation of gold as to defy detection.—
The movement is manufactured by the well known St. Jimer watch Company of Europe, and are superbly finished, having engraved pallets, fancy carvperbly finished, having engraved pallets, fancy carved bridges, adjusting regulator, with gold balance and the inproved jewelled action, with line dial and skeleton hands, and is warranted a good time keep-

These Watches are of three different sizes, the mallest being for Lakies, and are all Hunting Cases.

A case of six will be sent by Mail or Express for and used by bim with remarkable success for twenty
